Saints And Angels Saint Basil The Great:

Angels of the Lord Catherine Odell, Margaret Savitskas, 2016-09-06 For he commands his angels with regard to you to guard you wherever you go Psalm 91 11 Scripture is full of references to angels In fact Saint Gregory the Great a sixth century pope and biblical scholar reminded the Church Nearly every page of Scripture testifies to the fact that there are angels and archangels As Christians we believe that angels have been given the sacred mission to assist protect and guide human beings and all of God s creation With Angels of the Lord you can spend every day of the year getting to know these mighty messengers of God From day to day you ll be fascinated and inspired by Scripture passages and Church teachings on angels Stories of early martyrs who received courage and consolation from angels Readings from the Fathers and Doctors of the Church who shaped teaching about angels Anecdotes about saints who saw and spoke with angels Accounts of ordinary people who had encounters with angels Testimonies from great writers artists and musicians and their inspiration from angels Angels are our very real and constant companions They are our invisible but trustworthy mentors Let them inspire and guide you daily Week after week these amazing heavenly creatures will coax you closer to God to prayer and the sure knowledge of our Creator s endless love

The Ecclesiology of St. Basil the Great Olga Druzhinina, 2016-06-22 In this book Olga Druzhinina analyzes St Basil s understanding of the church paying special attention to his Trinitarian approach to its life Although the role of God the Trinity in the life of the church occupies a considerable place in St Basil s thought as Druzhinina demonstrates it is a subject that has not previously been addressed by scholars The analysis offered here of the life of the church as grounded in Trinitarian philanthropy provides fresh insights into St Basil s understanding of the worldwide fellowship of believers Druzhinina also brings into focus another neglected aspect of St Basil s ecclesiology his perception of the church as a two dimensional heaven and earth mystical reality with a strong bond between both parts the heavenly and the earthly
