Everest, H. (2003). Paper and Rock: Living the American Dream. New York: HH and Company.

In this book, the author presents a so-defined experiential research, attempting to determine whether it is highly possible for an individual to live as a minimum wage earner in the USA.

Peters, R. (2005). The Cost of Living in America- Expensive or Not? California: AA Publishing.

As an experienced journalist, Peters is completely aware of all the limitations in her experiment, including ethical implications involved. As such, she presents a clear debate in identifying whether the cost of living in America is considered as expensive or not.

Diethers, O. (2004). Why More People Want to Enter America. Ohio: Stem Press.

The author is forthcoming when it comes to explaining her methods, supplementing all of her experiences with scholarly and experimental research on her workplace, the economy, as well as the documented increasing cost of living in the USA.

Reading and Writing for Civic Literacy Donald Lazere, 2015-12-03 This brief edition of a groundbreaking textbook addresses the need for college students to develop critical reading writing and thinking skills for self defense in the contentious arena of American civic rhetoric Designed for first year or more advanced composition and critical thinking courses it is one third shorter than the original edition more affordable for students and easier for teachers to cover in a semester or quarter It incorporates up to date new readings and analysis of controversies like the growing inequality of wealth in America and the debates in the 2008 presidential campaign expressed in opposing viewpoints from the political left and right Exercises help students understand the ideological positions and rhetorical patterns that underlie such opposing views Widely debated issues of whether objectivity is possible and whether there is a liberal or conservative bias in news and entertainment media as well as in education itself are foregrounded as topics for rhetorical analysis

Tao of Composition Stuart Kantor, William Storey (Teacher), 2003-06-26 With the Tao of Composition no longer does producing a paper become a tedious process filled with endless redundancies and plagiarism Now students can learn and apply a basic organizational structure to their writing without wondering how to construct the basic elements of any academic essay No longer will you have to sit in front of the computer the night before the paper is due and regurgitate stream of consciousness drivel connected loosely with evidence

The Analytical Writer Adrienne

Robins,1995-09 In The Analytical Writing Adrienne Robins explains college writing as a process of discovery as a series of strategies that any college student can learn to apply All strategies explained in this text are based on sound theories of teaching writing and on the patterns of successful writers Writing and thinking should not be separated and presenting only the steps without the accompanying explanation of how they influence thinking would be of little more help than having no method at all By using this text the students will see as they plan draft and revise how their writing helps clarify their thoughts This clearly written and engaging textbook is illustrated by real examples of student writing and appropriate cartoons The second edition was revised and updated based on the large scale evaluation of the first edition completed by professors and students The new edition reflects four essential values recognizing the diversity of writing processes the necessity of peer and teacher interaction with the writer on drafts the integration of writing and reading and the appropriate uses of technology Specific features of this second edition include new writing samples electronic citation formats updated library use chapter with technological guidance concise paragraph chapter revised introduction and conclusion chapter rhetorical as well as grammatical explanations for punctuation usage new cartoons exercises drawn from students papers a condensed chapter on research papers and an expanded and clearer chapter on special assignments and other writing tasks A Collegiate Press book
