

Sample PET Exam Papers Listening*, Reading, Writing

Dear teachers,

This material is one of the many supplements in the January-February **BRIDGE SPECIAL**. It gives you another opportunity to practise for both the Maturita Exam and the Cambridge ESOL PET Exam with your students.

When comparing the **Cambridge ESOL: Preliminary English Test (PET) Exam** (see table 1) with the **Maturita Z Level Exam** and the Lower Level tasks and exercises in our **BRIDGE SPECIAL**, you will find many similarities, mainly in format and skills tested. We therefore hope that the **BRIDGE SPECIAL** exercises and tasks will provide you with useful and helpful materials.

With thanks to the representatives of **University of Cambridge ESOL Examinations** in the Czech Republic for the materials provided

Best Regards,
BRIDGE staff

*Recordings for listening exercises are available at www.bridge-online.cz in the section "Studenti – Testy PET, PCE a TOEFL".

Examining Listening Ardeshir Geranpayeh,Lynda B. Taylor,2013-03-27 This volume examines the nature of second language listening proficiency and how it can be assessed The book highlights the need for test developers to provide a clear explication of the ability constructs which underpin the tests they offer in the public domain This is increasingly necessary if claims about the validity of test score interpretation and use are to be supported both logically and with empirical evidence It operationalises a comprehensive test validation framework which adopts a socio cognitive perspective The framework embraces six core components examining and then analysing Cambridge ESOL listening tasks from the following perspectives Test Taker Cognitive Validity Context Validity Scoring Validity Criterion related Validity and Consequential Validity Examining Writing Stuart D. Shaw,Cyril J. Weir,2007-07-05 Test developers need to provide a clear explication of the language ability constructs that underpin the tests they offer in the public domain such an explication is essential for

supporting claims about the validity or usefulness of test scores This volume describes the theory and practice of Cambridge ESOL s approach to assessing second language writing ability A comprehensive test validation framework is used to examine the tasks in Cambridge ESOL writing tests from a number of different validity perspectives that reflect the socio cognitive nature of any assessment event The authors show how an understanding and analysis of the framework and its components can assist test developers to operationalise their tests more effectively especially in relation to the key criteria that differentiate one proficiency level from another The book provides an up to date review of relevant literature on assessing writing an accessible and systematic description of the different proficiency levels in second language writing a comprehensive and coherent basis for validating tests of writing This volume is a rich source of information on all aspects of examining writing ability As such it will be of considerable interest to examination boards who wish to validate their own writing tests in a systematic and coherent manner as well as to academic researchers and students in the field of language assessment more generally
