

My Autobiography

My name is Mae Pauline Novesteras Gaoiran. I was born on August 10, 1997 at Calalang General Hospital Valenzuela City. I'm sixteen years old and at the same time sixteen years in the grace of God. I live in Ramos, Tarlac. But I'm living here right now at Baguio City. My father's name was Gamaliel Gaoiran and my mother's name was Paulina Gaoiran. I have two sisters named Ghirlie Anne and Dapnie, they were both schooling too.

I started study when I was five-years-old. I went to kindergarten and preparatory at NWFC Manila. And then I continue my elementary study at Toledo Elementary School Ramos, Tarlac. I graduated at Ramos National High School Ramos, Tarlac. I am now a first year college student at University of the Cordilleras and currently aiming to graduate my bachelors degree in Information Technology (IT) in the near future.

My favourite sports are badminton and volleyball. When I have nothing to do I read and read and read the bible to have more a wide knowledge about the glory of God. I love to surf the net, open my e-mail account on Facebook, Twitter and Instagram. I can play some musical instruments like guitar, keyboard and drums. I love reading inspirational and motivational books like Lovestrucks and the books of Pastor Ed Lapiz. My favorite movies are Passion of the Christ, Miracle in Cell Number 7, 3 Idiots, Taken, Hours, Wrong Turn, Superman, Xmen, Transformers, Ice Age, Titanic, The Odd Life of Timothy Green and many more. When it comes to cartoon series, I watch episodes of Spongebob, Phineas and Ferb, Adventure Time, Pokemon, Doraemon and Detective Conan. My favorite colors are green, gray, yellow, black and white.

Life without God is nothing. And also to a family without fear, love and peace. There is a boy who admires at me 3 years from now. Lately, I hate him so much because he's so bully. He always stay with me when we were High School and he always say to me that he loves me and I don't believe because I think that it is only a joke but he said that he's serious.

Mystery Solved John G. Laflamme Ed.D.,2021-12-23 The book covers writing concepts that are overlooked when teaching writing Though the writing process has contributed greatly to helping students improve their writing very little instruction exists to assist students in understanding how to organize the ideas once they have generated them Students need to be adept at identifying the function of each sentence in a paragraph Too often students write general statements about a topic and do not provide the concrete details needed to help the reader understand the point Teachers also want rigor in the writing curriculum but that often means assigning more and longer essays A rigorous writing curriculum can challenge students without adding to a teacher s correction load This book helps teachers achieve that balance Journal of Education ,1905
