1 EXECUTIVE SUMMARY

A security assessment for <System Name>, herein referred to as the information system, was completed on <Assessment Date>. The purpose of this report is to provide a holistic summary of the risks that affect the confidentiality, integrity and availability of the information system and Texas HHS data that the information system creates, receives, processes, maintains, stores, or transmits.

1.1 Security Assessment Report

The intent of the Security Assessment Report is to identify the current level of risk the information system poses to Texas HHS data. This report details the information system's compliance with applicable Texas HHS security controls required per the security baseline as defined within the contract and detailed in the Texas HHS publication, Information Security Controls (IS-Controls).
