Police Report On Tommy Pinson:

American Scare Robert W. Fieseler, 2025-06-17 A vital expos for both our history and our present day American Scare tells the riveting story of how the Florida government destroyed the lives of Black and queer citizens in the twentieth century In January 1959 Art Copleston was escorted out of his college accounting class by three police officers In a motel room blinds drawn he sat in front of a state senator and the legal counsel for the Florida Legislative Investigation Committee nicknamed the Johns Committee His crime Being a suspected homosexual And the government of Florida would use any tactic at their disposal legal or not to get Copleston to admit it Using a secret trove of primary source documents that have been decoded and de censored for the first time in history journalist Robert Fieseler unravels the mystery of what actually happened behind the closed doors of an inquisition that held ordinary citizens ransom to its extraordinary powers The state of Florida would prefer that this history remain buried But for nearly a decade the Florida Legislature founded funded and supported the Johns Committee an organization using the cover of communism to viciously attack members of the NAACP and queer professors and students Spearheaded by Charley Johns a multi term politician in a gerrymandered legislature the Committee was determined to eliminate any threats to the state s white conservative regime Fieseler describes the heartbreaking ramifications for citizens of Florida whose lives were imperiled profiling marginalized residents with compassion and a determination to bring their devastating experiences to light at last A propulsive human centered drama with fascinating insight into Florida politics American Scare is a page turning reckoning of our racist and homophobic past and its chilling parallels to today *Telephone Directory* Ellijay Telephone Company, 1991 *The Prison World* , 1952 The Quill , 1968-03 Reports of Cases Decided in the Court of Appeals of the State of Georgia at the Georgia. cataclysmic turning point in America's long civil rights struggle. Child demonstrators faced down police dogs and fire hoses in huge nonviolent marches against segregation. Ku Klux Klansmen retaliated by bombing the Sixteenth Street Baptist Church, killing four young black girls. Diane McWhorter, daughter of a prominent Birmingham family, weaves together police and FBI records, archival documents, interviews with black activists and Klansmen, and personal memories into an extraordinary narrative of the personalities and events that brought about America's second emancipation. In a new afterword reporting last encounters with hero Reverend Fred Shuttlesworth and describing the current drastic anti-immigration laws in Alabama, the author demonstrates that Alabama remains a civil rights crucible.
