Transforming Unequal Gender Relations in India and Beyond Saroj Pachauri,Ravi K. Verma,2023-09-08 This book offers a unique intersectional perspective on gender equality SDG5 It presents an intersection of gender with caste class region ethnic and sexual identities and other structural drivers of inequalities in various development sectors It presents case studies and empirical findings from development practice and policymaking and highlights the challenges to implementing

SDG5 in practice It discusses policies to promote gender equality and prevent violence against women and girls and women in decision making and leadership positions The chapters reinstate that gender equality is possible only if unequal gender norms are transformed to recognize women and girls as independent economic entities and not merely homemakers providing unpaid care It also analyzes to deconstruct the idea of monolithic masculinity to recognize gender diversity and men s role in providing care The book shows how much has been achieved yet how far is also left to go It is an essential reference point for researchers policymakers students and scholars across gender studies women s studies and sociology

Earthling Dean Wallraff,2023-11-25 Climate Change is the most important ethical problem humanity is facing right now We are in the process of harming the Earth in ways that will diminish the quality of life for many future generations Our old human centrism our national tribalism and our short term perspectives must give way to new ways of thinking that give moral standing to other animals and that take global and long term perspectives In the year 3000 humankind will look back to the present century which dramatically altered the planet s climate and ecosystems Will they curse us as destroyers of the earthly paradise humankind enjoyed until now To avoid this we need to change our approach to ethics economics sustainability politics and law **Earthling A New Ethics for the Anthropocene** addresses sustainability economics politics and law as important factors in climate ethics It aims to both help with understanding these issues and present potential solutions for the problem

Resources in Women's Educational Equity , Ladies' Home Companion ,1926 Home Gardens in Nepal , *Pious and Rebellious* Avraham

Grossman,2012-09-04 The first complete look at the social status and daily life of medieval Jewish women Woman's Home Companion ,1910 Engendering Democracy in Africa Niamh Gaynor,2022-06-01 This book investigates women s political

participation in Africa Going beyond the formal institutions of electoral politics it explores a range of spaces where everyday politics take place at national and at local levels In recent years there have been significant improvements in the number of

women elected to parliament in Africa However there is little indication that this is translating into better developmental outcomes and indeed there is mounting evidence that it could in fact help to bolster some authoritarian regimes Starting from the premise that politics is a far broader project than securing a seat in national or local legislatures alone this book explores the opportunities for women s political participation across a number of informal spaces where women and men gather organise and interact in a more regular and systematic manner Combining insights from political science sociology and feminist theory and drawing on detailed cases from the Congo Kenya Malawi Nigeria and Rwanda it examines how power in its multiple dimensions circulates across a range of everyday political spaces while drawing attention to the links between domestic gender inequalities and the global political economy Inviting scholars practitioners and activists to broaden their focus beyond formal electoral institutions if they want to support women to become more politically active this book provides fresh insights into major issues at the heart of African studies development studies gender and development democratisation and international relations

Handbook of Egyptian Mythology Geraldine Pinch,2002-09-17 Spanning ancient Egyptian culture ca 3200 B C E to C E 400 the *Handbook of Egyptian Mythology* is the only complete survey of Egyptian mythology of its kind available in English In this comprehensive introduction to Egyptian mythology author Geraldine Pinch shows how the mythology of Ancient Egypt must be pieced together from a variety of written and visual sources Relationships between deities changed and the Egyptian myths were never gathered by priests into an authorized version *Handbook of Egyptian Mythology* provides a brief discussion about the nature of myths the concept of time in Egyptian mythology a historical overview of the sources of Egyptian myth and a dictionary of deities themes and concepts which concentrates on the prominent gods and goddesses in Egyptian myth The book also includes references to general works on Egyptian culture religion and myth translations of ancient texts and a selection of literature influenced by Egyptian myth

The Domestic World Robert Kemp Philp,1872 Alphabetical list of words with descriptions of how they pertain to society and domestic pursuits of the day

The Big Break Ben Terris,2023-06-06 No one gets today s Washington like Ben Terris THE BIG BREAK is the definitive accounting of how it works in this ongoing post Trump pre Trump maelstrom I just imbibed this book Mark Leibovich author of *This Town* In this fascinating investigation into the real life inner workings of a post Trump American government uncover the odd and eccentric personalities grappling for their own bit of power in D C The Big Break investigates how Washington works and how different kinds of people try to make it work for them Ben Terris presents an inside history of this crucial moment in Washington reporting from exclusive parties poker nights fundraisers secluded farms outside town and the halls of Congress among the oddballs and opportunists and true believers This book is about the people who see this moment as an opportunity to bet big on their country or maybe just on themselves It will take a close look at Washington s bold faced names as they try to get their bearings on the post Trump and possibly pre Trump landscape And it will introduce readers to the behind the scenes players MAGA pilgrims and Resistance flamekeepers and

shapeshifting veterans who believe they know what Washington and America must do if they're going to survive or even thrive Trump's arrival in Washington represented a big break in how the city operated He surrounded himself with outsiders power structures reorganized around those who knew him or his family and those who could flatter and influence his base He changed the way the game was played only it wasn't actually a game at all When pro-Trump elements both inside and outside of government plotted to overturn his loss in the 2020 presidential election the Capitol became a combat zone then a military fortress It was to put it lightly a destabilizing time But how much did the Trump years really change Washington Has Joe Biden's presidency heralded a return to normal as many had hoped What did normal mean before Trump and what do people think it means now The Big Break will follow a cast of D.C. characters in search of answers to these questions They are a diverse crew a pollster with a gambling habit an oil heiress with a big heart a cowboy lobbyist a Republican kingmaker who decided to love Trump and his right hand man who decided he couldn't any longer They all share at least one thing in common They had seen their country go through a Big Break and they'd come to get theirs

Reading Women in the New Testament Letters Korinna Zamfir, Uta Poplutz, 2025-01-31 This volume explores the differing views expressed in the New Testament letters about the position of women in first and second generation Christian communities Contributors place the letters in their broader Jewish and Greco-Roman cultural religious and social contexts to better understand how gender roles family life and women's responsibilities for spreading the gospel changed over time While some essays envision the lived realities of women as wives mothers and widows both the free and the enslaved others examine the rhetorical and theological function of female metaphors Contributors include Bernadette Broton Christine Gerber Annette Bourland Huizenga Marianne Bjelland Kartow Beate Kowalski Dominika Kurek Chomycz Peter Lampe William R. G. Loader Elisa Estvez L. Heidrun E. Mader Marinella Perroni Silke Petersen Uta Poplutz Mar. a. Jos. Schultz Montalbetti Michael Sommer Angela Standhartinger Mikl's Szab Korinna Zamfir and Silvia Zanconato

Acts Willie James Jennings, 2017-05-05 In this new commentary for the Belief series award-winning author and theologian Willie James Jennings explores the relevance of the book of Acts for the struggles of today While some see Acts as the story of the founding of the Christian church Jennings argues that it is so much more depicting revolution life in the disrupting presence of the Spirit of God According to Jennings Acts is like Genesis revealing a God who is moving over the land putting into place a holy repetition that speaks of the willingness of God to invade our every day and our every moment He reminds us that Acts took place in a time of Empire when the people were caught between diaspora Israel and the Empire of Rome The spirit of God intervened offering new life to both Jennings shows that Acts teaches how people of faith can yield to the Spirit to overcome the divisions of our present world

Sources for Latin America in the Modern World Nicola Foote, 2019 Latin America in the Modern World is the first text to situate the history of Latin America into a wider global narrative and it does so without de-emphasizing the distinctive experiences of each of the Latin American countries Focusing on five themes state formation the construction of

national identity through popular culture and religion economics and commodities race class and gender and the environment and written by leading scholars Latin America in the Modern World provides students today with an entry point into understanding this vital region The authors emphasize the distinctive experiences of each of the Latin American countries Instead of suggesting that all Latin American nations have an interchangeable heritage the authors seek to clearly identify themes topics people and intellectual currents that help to knit the history of modern Latin America into a coherent category of study The book would not serve students well if it focused primarily on the history of the three largest countries Mexico Brazil and Argentina to the neglect of others like the Central American and Andean nations As a consequence case studies from almost all of the countries are included at some point in the narrative when their history seems to illuminate a theme or idea particularly effectively In this fashion students will come to appreciate the great diversity of history and culture within the Latin American region while simultaneously understanding how it fits into the streams and currents of world history and events more broadly

Woman's Home Missions of the Methodist Episcopal Church, 1922

Warlike and Peaceful Societies Agner Fog, 2017-10-13 Are humans violent or peaceful by nature We are both In this ambitious and wide ranging book Agner Fog presents a ground breaking new argument that explains the existence of differently organised societies using evolutionary theory It combines natural sciences and social sciences in a way that is rarely seen According to a concept called regality theory people show a preference for authoritarianism and strong leadership in times of war or collective danger but desire egalitarian political systems in times of peace and safety These individual impulses shape the way societies develop and organise themselves and in this book Agner argues that there is an evolutionary mechanism behind this flexible psychology Incorporating a wide range of ideas including evolutionary theory game theory and ecological theory Agner analyses the conditions that make us either strident or docile He tests this theory on data from contemporary and ancient societies and provides a detailed explanation of the applications of regality theory to issues of war and peace the rise and fall of empires the mass media economic instability ecological crisis and much more

Warlike and Peaceful Societies The Interaction of Genes and Culture draws on many different fields of both the social sciences and the natural sciences It will be of interest to academics and students in these fields including anthropology political science history conflict and peace research social psychology and more as well as the natural sciences including human biology human evolution and ecology

Rich Girl Nation Katie Gatti Tassin, 2025-06-10 USA Today Bestseller From the founder of Money with Katie a leveled up finance guide for ambitious women everywhere and a rallying cry for a new money movement Women experience money differently than men do In the United States women have only 55 cents for every dollar of wealth held by men are more likely to end up in poverty following a divorce and are less likely to retire with the resources they need What can women do to build wealth and claim financial power in a system that wasn't designed for them Katie Gatti Tassin personal finance writer and host of the popular podcast The Money with Katie Show has built an energized following of smart ambitious women seeking a

deeper understanding of the financial issues that affect them In Rich Girl Nation Tassin deconstructs the unique challenges women face on their journey to financial freedom offering context and nuanced guidance on money matters including Performing a budgetary Hot Girl Detox Proven salary negotiation strategies that effectively navigate gender bias Investing frameworks that make you the leader of your financial life How and why to create a prenup Preparing and saving for childcare efficiently Retiring independently and in a tax optimized way Packed with scrupulous research and Tassin's trademark wit Rich Girl Nation uncovers the real story behind our financial system and shows us exactly how to thrive within it while we fight for broader change It's time for women to unite in unapologetic financial autonomy with the net worths to show for it and to change the playing field not just for ourselves but for the next generation of Rich Girls too *Women's Lives around the World* Susan M. Shaw, Nancy Staton Barbour, Patti Duncan Ph.D., Kryn Freehling-Burton Ph.D., Jane Nichols, 2018-01-04 Providing an in depth look at the lives of women and girls in approximately 150 countries this multivolume reference set offers readers transnational and postcolonial analysis of the many issues that are critical to the success of women and girls For millennia women around the world have shouldered the responsibility of caring for their families But in recent decades women have emerged as a major part of the global workforce balancing careers and family life How did this change happen And how are societies in developing countries responding and adapting to women's newer roles in society This four volume encyclopedia examines the lives of women around the world with coverage that includes the education of girls and teens the key roles women play in their families careers religions and cultures how issues for women intersect with colonialism transnationalism feminism and established norms of power and control Organized geographically each volume presents detailed entries about the lives of women in particular countries Additionally each volume offers sidebars that spotlight topics related to women and girls in specific regions or focus on individual women's lives and contributions Primary source documents include sections of countries' constitutions that are relevant to women and girls United Nations resolutions and national resolutions regarding women and girls and religious statements and proclamations about women and girls The organization of the set enables readers to take an in depth look at individual countries as well as to make comparisons across countries
