Personal response

The locals regard Moishe the Beadle as an outcast because of his treatment. He no longer receives the respect he once did. After escaping the Nazis' plan to exterminate all foreign Jews, he tells others about what happened and warns them to be cautious. But no one pays attention. They should have consoled Moishe and supported him through this.

Question 1

Wiesel's group is deeply devout and compassionate toward the needy. Elie considers himself to be in the home of learning, and he studies the Kabbalah.

Question 2

All foreign Jews were deported, they were moved into ghettos, there were special meetings, and a person went to Budapest and saw that all the Jews were in ghettos, according to certain reports. Responding Night Chapter 6 Through 9:

Joy Through the Night Aída Besançon Spencer, William David Spencer, 2007-06-01 Joy Through the Night uniquely combines personal experience and scholarship in order that readers may face the most difficult questions Christians can ask. If God is good and all powerful how can the world be so shot through with evil? What about the pain of so many children and other innocent people? And why is God letting me hurt so much so long? Aida and William Spencer draw on the suffering they have faced including chronic disease and the untimely death of a sibling to ask these questions on a practical down to earth level. But they also draw on their extensive theological training and ministry experience to present biblical resources for dealing with suffering. In the end this is a book both realistic and hopeful offering reassurance that even in the midst of pain we can know joy as we learn to rely on God and the communal care of the church. It will prove a valuable aid to those who minister to them.
