Book of the Apocalypse Following a discussion of the importance of the genre apocalypse he closely analyzes the form and structure of the Revelation its narrative and metaphoric unity the world created through John s visions and the social conditions of the empire in which John wrote He offers an unprecedented interpretation of the role of boundaries in Revelation a reassessment of the reign of the Emperor Domitian and a view of tribulation that integrates the literary vision of Revelation with the reality of the lives of ordinary people in a Roman province Throughout his study Thompson argues that the language of Revelation joins the ordinary to the extra ordinary earth to heaven and local conditions to supra human processes

Enigma: An Interpretative Commentary of Revelation Dr. Nathan Ogan,2019-01-16 This has been offered to the reader as if to say that from the very outset any study of Revelation that is done or offered without the direct application of Jesus teaching specifically His sermon on the Mount of Olives is incomplete at best The argument that God conclusively broadened His redemptive purpose beginning with the Jewish people then spread to all races as promised in Matthew 28 19 rings true in Revelation when understood in the context of what Jesus taught What s more the development of temple based worship into a simpler spiritual based worship as expected in John 4 21 24 is equally difficult to ignore from what appears to have been fulfilled in the prophecy of Revelation as predicted by Jesus in His Mount of Olives sermon [Commentary on the Revelation of St. John](#) William Bruce (Minister of the New Jerusalem Church, Edinburgh.),1877 *A Series of Letters in Defence of Divine Revelation in Reply to Rev. Abner Kneeland's Inquiry Into the Authenticity of the Same* Hosea Ballou,1820 *Commentary on the New Testament, Intended for Popular Use: Titus-Revelation* Daniel Denison Whedon,1880
