Webster, 1864 **Figures of Chance I** Anne Duprat, Fiona McIntosh Varjabédian, Anne-Gaëlle Weber, 2024-03-14 *Figures of Chance I* Chance in Literature and the Arts 16th 21st Centuries proposes a transhistorical analysis that will serve as a reference work on the evolution of literary and artistic representations of chance and contingency Alongside its multidisciplinary companion volume *Figures of Chance II* it considers how the projective and predictive capacity of societies is shaped by representations and cultural models of a reality that is understood to varying degrees to be contingent unpredictable or chaotic Giving special emphasis to the French context while also developing broad cross cultural comparisons this volume examines the dialogue between evolving conceptions and changing representations of chance from Renaissance figures of Fortune to the data driven world of the present Written by recognized specialists of each of the periods studied it identifies and historicizes the main fictional and factual modes of portraying narrating and comprehending chance in the West
The Poetic Voices of John Gower Matthew W. Irvin, 2014 An examination of Gower's skilful

deployment of personae in his works showing the parallels between the way he treats love and the way he treats politics Gower's use of the persona the figure of the writer implicated in the text is the main theme of this book While it traces the development of Gower's voice through his major works it concentrates on the dialogue of Amans and Genius in the *Confessio Amantis* It argues that Gower negotiates problems of politics and problems of love by means of an analogy between political ethics and the rules of fin amour Amans and Genius are both drawn from and occupied with amatory and ethical traditions and their discourse produces a series of attempts to find a coherent and rational union of lover and ruler The volume also argues that Gower's goal is poetic as well as political through the personae Gower's readers experience the pains and pleasures of erotic and social love Gower's personae voice potential responses to exemplary experience prompting readers to feel and to judge and moving them to become better lovers and better rulers Gower's analogy between fin amour and politics brings the affects of the lover to the action of government and suggests for both love and rule the moderation that brings
