### **Seven Minutes With My Stepbrother English Edition:**

The Seductress Kate Bridges, 2025-06-13 It was supposed to be one wild anonymous night A heat drenched hookup behind a bar No names No strings Just tangled limbs stolen moans and a red lacy thong left behind in the hands of a cocky gorgeous stranger But fate has a twisted sense of humor Because that panty thieving mystery man He s C J Cole the bestselling author of the most sinful swoon worthy books Mercy has ever read And now He s her new boss As in interning under him kind of boss Now Mercy s stuck trying to play it cool in the presence of the man who quite literally had her against a wall and made her feel things she s only ever read about in his novels The problem C J seems to remember everything and he s determined to blur the lines between professional and personal Keeping her panties on Impossible Keeping her heart out of it Even harder

High Heat Tim Wendel, 2011-03-22 What is it about a quality fastball that brings us to the edge of our seats How is it humanly possible to throw more than 100 mph And the big question Who is the fastest pitcher ever Drawing on interviews with current and former players managers scouts experts and historians Tim Wendel delivers the answers to some of the most intriguing questions about the fastball providing insight into one of baseball s most exhilarating yet mystifying draws In High Heat he takes us on a quest to separate verifiable fact from baseball lore traveling from ballparks across the country to the Baseball Hall of Fame piecing together the fascinating history of the fastball from its early development to the present form while exploring its remarkable impact on the game and the pitchers who have been blessed or cursed with its gift From legends such as Nolan Ryan Walter Johnson Steve Dalkowski and Satchel Paige to present day standard bearers like Tim Lincecum Billy Wagner and Randy Johnson Wendel examines the factors that make throwing heat an elusive ability that few have and even fewer can harness Along the way he investigates the effectiveness of early speed testing techniques including Bob Feller s infamous motorcycle test explains why today s radar gun readings still leave plenty of room for debate and even visits an aerodynamic testing lab outside of Birmingham Alabama in order to understand the mechanics that make throwing heat possible in the first place At its heart High Heat is a reflection on our infatuation with the fastball the expectation it carries the raw ability it puts on display and most of all the feats and trials of those who have attempted to master it As Wendel puts it The tale of high heat can lead in several different directions at once and the real story has more to do with triumph and tragedy than with the simple act of throwing a baseball
