**The Seven Mountain Renaissance** Johnny Enlow, 2015 You Are Living in a New Era History s greatest Renaissance a spiritual one is now unfolding In his first two Seven Mountain books *The Seven Mountain Prophecy* and *The Seven Mountain Mantle* Johnny Enlow showed how Christians are called to manifest the kingdom of God in the seven primary spheres of society religion education family government economy media and celebration arts Now he reveals the sweeping changes he expects to take place over the next several decades in each of these spheres as he unveils his vision and strategy through 2050 We have entered an Era of Renaissance that will not be complete until the nature and character of the invisible God are made visible in the world through the influence of His ambassadorial children The first Renaissance in history showcased the achievements of man but this new Renaissance will display the brilliance and works of God for the whole world to see By 2050 an on fire loving church with a hope filled worldview will be globally advancing walking in unprecedented signs and

which prophecy apparently fails why do prophecies continue to be made and what social functions do they serve This volume gives a concise but comprehensive overview of the rich diversity of prophecy its role in major world religions as well as in new religions and alternative spiritualities its social dynamics and its impact on individuals lives Academic analyses are complimented with contextualized primary source testimonies of those who live and have lived within a prophetic framework The book argues that the key to understanding the more dramatic apocalyptic and millenarian aspects of prophecy is in appreciating prophecy s more mundane manifestations and its role in providing meaning and motivation in everyday life

The New Apostolic Reformation, Trump, and Evangelical Politics Damon T. Berry, 2023-06-29 Whilst many assume that conservative evangelical support for Trump is motivated by his position on social issues such as abortion and LGBTQ rights or a nostalgia for an imagined American golden age this book shows that the reality is much more complex by looking at a more recent and understudied trend of Evangelicalism in America Damon T Berry examines how leaders within the New Apostolic Reformation NAR a charismatically inclined Evangelical movement claim their support for Trump came from alleged prophetic visions that compelled them to defend Trump s candidacy and to continue to defend his presidency re election against demonically inspired Marxist Deep State enemies In this conspiratorial cosmology spiritual warfare through prayer and political activism is the duty of the faithful so that they might protect Trump as God s anointed leader and war against malevolent unpatriotic forces that oppose him the nation and God himself Working from primary source materials produced by leading figures among the NAR Berry argues that this conspiratorial discourse is central to NAR support for Trump s candidacy presidency and re election effort and that this discourse has come to shape some of the most important debates among American religious conservatives in the 21st century **Curating Spaces of Hope** Matthew
