Reuben O. Doyle, 1992 *Mechanic's Manual for Repair and Adjustment of "Lock-stitch" Sewing Machines* K. W.

Pollock, 1943 **Sewing Machine Repair for the Home Sewer** Reuben O. Doyle, 1996 Serger Repair for the Home

Sewer Reuben O. Doyle, 2016-12-21 Do it yourself Serger machine repair Sound like a far fetched idea Not so according to Reuben O Doyle a sewing machine repairman of 25 years and author of Serger Repair for the Home Sewer In over 75% of the repair jobs I get the home sewer crafter could easily have handled the job if only they'd known what to look for In about 25% of the repair jobs I go out on the problem is such a minor one that anyone with a checklist of what to look for could fix it in seconds but I have to charge them the same service fee as on any repair job Of course any broken parts need to be taken to an authorized service repairman for repair or replacement but those types of service calls are by far the minority Written in step by step instructional style this book takes the serger machine owner through problem solution scenarios allowing them to fix problems that can cause a lot of frustration for those who sew Whether you have an older model machine or one of the

newer models this book will help keep your general repair costs to a minimum The home sewer can now just look up the problem in this handy guide book and follow the instructions on how to fix it YES it s now as easy to fix your serger machine as picking up a book
