She's the Cutest... But We're Just Friends! Volume 2 Akamitsu Awamura, 2021-10-06 She's the cutest too but we're just coworkers. No way you actually like me. Kai Nakamura, 16 years old, has just been asked out by a girl for the first time in his life. And the girl who has set her sights on him is the cute anime-craving coworker he's been chatting up: Kotobuki Hotei. Struck by this bolt from the blue, Kai's at a loss; he doesn't dislike her, but where does he draw the line between liking her as a pal versus as a partner? Meanwhile, Kotobuki lays on the pressure and suggests they have a date to test their compatibility. Unable to refuse a passionate yet polite plea from this otherwise nervous wreck of a newbie, Kai agrees to a trial run leading to the first real date of Kai's young life. And if that wasn't stressful enough, his best girl friend Jun happens to spot them together at their destination. This Pure Friendship Romantic Comedy comes back for Part 2.

The Making of a Counter-culture Icon Maria R. Bloshteyn, 2007-01-01 At first glance the works of Fedor Dostoevsky 1821 1881 do not appear to have much in common with those of the controversial American writer Henry Miller 1891 1980 However the influencer of Dostoevsky on Miller was in fact enormous and shaped the latter's view of the world of literature and of his own writing The Making of a Counter Culture Icon examines the obsession that Miller and his contemporaries the so called Villa Seurat circle had with Dostoevsky and the impact that this obsession had on their own work Renowned for his psychological treatment of characters Dostoevsky became a model for Miller Lawrence Durrell and Anais Nin interested as they were in developing a new kind of writing that would move beyond staid literary conventions Maria Bloshteyn argues that as Dostoevsky was concerned with representing the individual's perception of the self and the world he became an archetype for Miller and the other members of the Villa Seurat circle writers who were interested in precise psychological characterizations as well as intriguing narratives Tracing the cross cultural appropriation and mis interpretation of Dostoevsky's methods and philosophies by Miller Durrell and Nin The Making of a Counter Culture Icon gives invaluable insight into the early careers of the Villa Seurat writers and testifies to Dostoevsky's influence on twentieth century literature
