Slumming Seth Koven, 2006-07-24 In the 1880s fashionable Londoners left their elegant homes and clubs in Mayfair and Belgravia and crowded into omnibuses bound for midnight tours of the slums of East London A new word burst into popular usage to describe these descents into the precincts of poverty to see how the poor lived slumming In this captivating book Seth Koven paints a vivid portrait of the practitioners of slumming and their world who they were why they went what they claimed to have found how it changed them and how slumming in turn powerfully shaped both Victorian and twentieth century understandings of poverty and social welfare gender relations and sexuality The slums of late Victorian London became synonymous with all that was wrong with industrial capitalist society But for philanthropic men and women eager to free themselves from the starched conventions of bourgeois respectability and domesticity slums were also places of personal liberation and experimentation Slumming allowed them to act on their irresistible attraction of repulsion for the poor and permitted them with society's approval to get dirty and express their own dirty desires for intimacy with slum dwellers and sometimes with one another Slumming elucidates the histories of a wide range of preoccupations about poverty and urban life altruism and sexuality that remain central in Anglo American culture including the ethics of undercover investigative reporting the connections between cross class sympathy and same sex desire and the intermingling of the wish to rescue the poor with the impulse to eroticize and sexually exploit them By revealing the extent to which politics and erotics social and sexual categories overflowed their boundaries and transformed one another Koven recaptures the ethical dilemmas that men and women confronted and continue to confront in trying to love thy neighbor as thyself *TLA Film and Video Guide* David Bleiler, 1999 Detailed indexes by star director genre country of origin and theme Lavishly illustrated with over 450 photos Comprehensive selection of international cinema from over 50 countries Over 9 000 films reviewed Up to date information on video availability and pricing Appendices with award listings TLA Bests and recommended films [Obscene Pedagogies](#) Carissa M. Harris, 2018-12-15 In *Obscene Pedagogies* Carissa M Harris investigates the relationship between obscenity gender and pedagogy in Middle English and Middle Scots literary texts from 1300 to 1580 to show how sexually explicit and defiantly vulgar speech taught readers and listeners about sexual behavior and consent Through innovative close readings of literary texts including erotic lyrics single woman's songs debate poems between men and women Scottish insult poetry battles and *The Canterbury Tales* Harris demonstrates how through its transgressive charge and galvanizing shock value obscenity taught audiences about gender sex pleasure and power in ways both positive and harmful Harris's own voice proudly witty and sharply polemical inspires the reader to address these medieval texts with an eye on contemporary issues of gender violence and misogyny **TLA Video & DVD Guide 2005** David Bleiler, 2005-06-25 The TLA Video and DVD Guide 2005 is the absolutely indispensable guide to worthwhile cinema It includes over 10 000 entries on the best of film and video that a real film lover might actually want to see Unlike some of the other mass market guides that tend to be clogged

Doing What Comes Naturally Stanley Fish,1989-05-08 In literary theory the philosophy of law and the

sociology of knowledge no issue has been more central to current debate than the status of our interpretations Do they rest on a ground of rationality or are they subjective impositions of a merely personal point of view In *Doing What Comes Naturally* Stanley Fish refuses the dilemma posed by this question and argues that while we can never separate our judgments from the contexts in which they are made those judgments are nevertheless authoritative and even in the only way that matters objective He thus rejects both the demand for an ahistorical foundation and the conclusion that in the absence of such a foundation we reside in an indeterminate world In a succession of provocative and wide ranging chapters Fish explores the implications of his position for our understanding of legal literary and psychoanalytic interpretation the nature of professional and institutional culture and the place of reason in a world that is rhetorical through and through *Dark Places And Demogorgons* (Soft Cover) Eric Bloat, Josh Palmer, 2017-08-05 Following in the tradition of the highly popular *SURVIVE THIS* Zombies comes *SURVIVE THIS Dark Places Demogorgons* a tabletop roleplaying game that uses the Original 1970s Fantasy Roleplaying game rules but mutates it into this retro nightmare that you hold in your hands now It s sleek slender and creepy as Hell In *Dark Places Demogorgons* you play as high school students during the early 1980s The town you live in has had a rash of disappearances and strange happenings The adults seem lost as what to do the police are as clueless as ever and aren t helping and Reverend Phillips is on another witch hunt It s up to you and your friends to figure out what s going on and stop it from happening again From back cover **Public Opinion** ,1890 *Honor and Shame in Western History* Jörg Wettlaufer, David Nash, Jan Frode Hatlen, 2023-03-30 This book covers a wide range of topics related to honor and shame in European historical societies history of law and literature social and ancient history as well as theoretical contributions on the state of research and the importance of honor and shame in traditional societies *Honor and shame in Western History* brings together 14 texts of interdisciplinary scholars from Europe and North America It covers a wide range of topics related to honor and shame in historical societies The contributions cover periods of Western history from Greek and Roman times to the nineteenth century and many of them integrate the concept of a deep history of honor and shame in social interaction The book is essential for a broad audience interested in social history and the history of emotions

APAIS 1992: Australian public affairs information service , Companion to Historiography Michael Bentley, 2006-02-27 The *Companion to Historiography* is an original analysis of the moods and trends in historical writing throughout its phases of development and explores the assumptions and procedures that have formed the creation of historical perspectives Contributed by a distinguished panel of academics each essay conveys in direct jargon free language a genuinely international wide angled view of the ideas traditions and institutions that lie behind the contemporary urgency of world history **Twelfth Night** William Shakespeare, 2004-02-19 For this updated edition of *Twelfth Night* Penny Gay has written a wholly new Introduction to this well loved Shakespearean comedy She stresses the play s theatricality its elaborate linguistic games and its complex use of Ovidian myths She analyses the play s delicate balance between romance and realism

and its exploration of gender sexuality and identity In examining the stage history Professor Gay suggests that contemporary critical theory could have much to offer 21st century directors and actors **Visions and Revisions** Roger Kojecký,Andrew Tate,2013-09-05 Literary texts are more or less obliged to make reference to entities beyond themselves Drawing on other texts ideas previously written or on the resources of language they make their attempts to communicate entertain and enlist sympathy or even to offer counsel Some texts profess an a priori vision others adopt a style of reporting only contingencies A dialogic relation can be posited between the ideal and the real heaven and earth imagination and reason langue and parole essence and substance poetry and prose The poetic and creative impulse is engaged with an ever present need to purify the dialect of the tribe The topics in Visions and Revisions reflect writers labours with form at whatever distance from the original sources of inspiration The authors discussed include William Blake Marilynne Robinson Salman Rushdie William Golding John Irving David Lodge Sara Maitland and Hilary Mantel Verbal by definition texts make use of other texts and are dependent on the cultural matrix Readers are also writers in one kind or another In both modes they may gain impetus or inspiration by re visioning their origins as well as their ends This book will offer readers new ways to understand the literary creations of some writers with affinities to the Western spiritual and specifically Christian tradition Golden Dreams Kevin Starr,2011-09-09 A narrative tour de force that combines wide ranging scholarship with captivating prose Kevin Starr s acclaimed multi volume Americans and the California Dream is an unparalleled work of cultural history In this new volume Starr covers the crucial postwar period 1950 to 1963 when the California we know today first burst into prominence In a powerful blend of telling events colorful personalities and insightful analyses he brilliantly illuminates the dominant economic social and cultural forces in California in these pivotal years
