Shades Of Blue 30 Years Of Un Ethical Policing:

Shades of Blue Michael Rudolph, 2012-09-01 *Shades of Blue 30 Years of un Ethical Policing* is a philosophical and entertaining examination of the moral and ethical dilemmas that challenge police officers every day. It is written as the memoir of the main character and contains accounts of events in the author's career with two major police departments. The authentic presentation places readers right in the middle of the action and allows them to become emotionally invested in the outcomes. It also offers a keen insight into the real police culture. The author's street philosophy acquired over 30 years as a police officer makes for engaging and humorous reading.

Dizionario delle signore del giallo in tivù Federica Marchetti, 2025-02-04 *Giallo saggio* 237 pagine Settant'anni di donne investigatrici in tv. Con un glossario dei termini televisivi. La fiction televisiva stata a lungo sottovalutata. Un fenomeno circolare: la tv era sottovalutata e autori e attori di qualità se ne tenevano alla larga, il che alimentava la svalutazione stessa del settore. In anni più recenti anche grazie prima alla tv via cavo e poi agli streaming la situazione cambiata. Tanto che in Italia proprio cambiato il termine da telefilm a serie tv. Intanto insieme alla rivalutazione della tv cresceva parallelamente la rivalutazione dei personaggi femminili che da controparti spesso secondarie seppure con notevoli eccezioni acquisivano sempre più importanza raggiungendo spesso il centro dell'obiettivo. Questo libro si concentra sul genere giallo investigativo ricordando tutte le serie e le sue protagoniste. Settant'anni di donne investigatrici in tv. Federica Marchetti scrittrice freelance webmaster e art director nata a Viterbo il 28 gennaio del 1966 nello stesso giorno nel 1547 moriva re Enrico VIII Tudor e nel 1813 veniva pubblicato *Orgoglio e pregiudizio* di Jane Austen. Ha esordito poco più che ventenne con la poesia. Si laureata in Lingue e Letterature Straniere Moderne con una tesi su L. o Malet. Nel 2000 ha creato la fanzine sul giallo *Il Gatto Nero*. Oltre a collaborare con siti e riviste con articoli recensioni e interviste ha organizzato e curato numerosi oltre 200 incontri culturali tra cui due edizioni della rassegna Viterbo in Giallo. Nella sua città collabora con *Caffeina Cultura* cura club di lettura e organizza cene con delitto scrivendone anche i testi. Autrice di narrativa di saggistica e di un curioso libro autobiografico.

Philip V. Bulone, 2004-01-01 These are the stories about the men and women with whom I worked during my fourteen years as a New York City Police Officer I'm sharing these stories with you so you might understand what a cop goes through during his career and how he might react to situations Urban police officers and officers patrolling smaller communities are subject to the same situations reactions and dangers Their response and handling calls for service are often based on their attitudes Attitudes learned long before they pin a badge on their uniform Although some of what you read will shock you don't be too quick to criticize the actions taken Take a deep breath close the book and put yourself momentarily in the same situation I said momentarily because a decision a street cop makes is often made in seconds Now read on but before you begin strap on the gun belt button up the blue shirt straighten the hat and walk out from the precinct remembering one thing once those heavy brass doors close behind you you become the fine line between a civilized society that acts within the law and those who choose to act outside it **Shades of Blue: Practice and Possibility in Policing (First Edition)** Christine

The Ethics of Policing Ben Jones, Eduardo Mendieta, 2021-07-20 Top scholars provide a critical analysis of the current ethical challenges facing police officers police departments and the criminal justice system From George Floyd to Breonna Taylor the brutal deaths of Black citizens at the hands of law enforcement have brought race and policing to the forefront of national debate in the United States In The Ethics of Policing Ben Jones and Eduardo Mendieta bring together an interdisciplinary group of scholars across the social sciences and humanities to reevaluate the role of the police and the ethical principles that guide their work With contributors such as Tracey Meares Michael Walzer and Franklin Zimring this volume covers timely topics including race and policing the use of aggressive tactics and deadly force police abolitionism and the use of new technologies like drones body cameras and predictive analytics providing different perspectives on the past present and future of policing with particular attention to discriminatory practices that have historically targeted Black and Brown communities This volume offers cutting edge insight into the ethical challenges facing the police and the institutions that oversee them As high profile cases of police brutality spark protests around the country The Ethics of Policing raises questions about the proper role of law enforcement in a democratic society

The Black and the Blue Matthew Horace, Ron Harris, 2025-05-01 During his 28 year career Matthew Horace rose through the ranks from a police officer working the beat to a federal agent working criminal cases in some of the toughest communities in America to a highly decorated federal law enforcement executive managing high profile investigations nationwide Yet it was not until seven years into his service when Horace found himself face down on the

ground with a gun pointed at his head by a white fellow officer that he fully understood the racism seething within America's police departments. Through gut wrenching reportage on the ground, research and personal accounts from interviews with police and government officials around the country, Horace presents an insider's examination of archaic police tactics. He dissects some of the nation's most highly publicized police shootings and communities to explain how these systems and tactics have hurt the people they serve, revealing the mistakes that have stoked racist policing, sky-high incarceration rates, and an epidemic of violence. Horace's authority as an experienced officer, as well as his obvious integrity and courage, provides the book with a gravitas. *The Washington Post*: The Black and the Blue is an affirmation of the critical need for criminal justice reform, all the more urgent because it comes from an insider who respects his profession yet is willing to reveal its flaws. *USA Today*

Tangled Up in Blue Rosa Brooks, 2021-02-09 Named one of the best nonfiction books of the year by *The Washington Post*. *Tangled Up in Blue* is a wonderfully insightful book that provides a lens to critically analyze urban policing and a road map for how our most dispossessed citizens may better relate to those sworn to protect and serve. *The Washington Post*. Remarkable. Brooks has produced an engaging page-turner that also outlines many broadly applicable lessons and sensible policy reforms. *Foreign Affairs*. Journalist and law professor Rosa Brooks goes beyond the blue wall of silence in this radical inside examination of American policing. In her forties, with two children, a spouse, a dog, a mortgage, and a full-time job as a tenured law professor at Georgetown University, Rosa Brooks decided to become a cop. A liberal academic and journalist with an enduring interest in law's troubled relationship with violence, Brooks wanted the kind of insider experience that would help her understand how police officers make sense of their world and whether that world can be changed. In 2015, against the advice of everyone she knew, she applied to become a sworn armed reserve police officer with the Washington DC Metropolitan Police Department. Then, as now, police violence was constantly in the news. The Black Lives Matter movement was gaining momentum; protests wracked America's cities, and each day brought more stories of cruel, corrupt cops, police violence, and the racial disparities that mar our criminal justice system. Lines were being drawn, and people were taking sides. But as Brooks made her way through the police academy and began work as a patrol officer in the poorest, most crime-ridden neighborhoods of the nation's capital, she found a reality far more complex than the headlines suggested. In *Tangled Up in Blue*, Brooks recounts her experiences inside the usually closed world of policing. From street shootings and domestic violence calls to the behind-the-scenes police work during Donald Trump's 2016 presidential inauguration, Brooks presents a revelatory account of what it's like inside the blue wall of silence. She issues an urgent call for new laws and institutions and argues that in a nation increasingly divided by race, class, ethnicity, geography, and ideology, a truly transformative approach to policing requires us to move beyond sound bites, slogans, and stereotypes. An explosive and groundbreaking investigation, *Tangled Up in Blue* complicates matters rather than simplifies them and gives pause both to those who think police can do no wrong and those who think they can do no right.

Shades of Blue Mollie K.

Galusha, 2009-12 *Shades of Blue* examines all aspects of law enforcement and the emotional roller coaster that everyday street officers face. The stories are typical for most law enforcement officers. *Shades of Blue* Chief Joe Pelkington, 2007-12

The early 1960s were the years that segregation started to wane and civil disobedience tested police leadership. The police had broad discretion on the use of force including deadly force. Society demanded and pressured police to exhibit restraint and improve professional conduct. Police violence, tragedy, courage, dedication, compassion, and misconduct are all revealed in this book. There are stories of police responding to dangerous encounters, humorous cases involving humans, animals, and about police officers themselves. There are stories of high stress situations such as high speed chases, officers killed in shoot outs, heroics in high risk rescue operations, handling riots and labor strikes. The final chapters bring to light the challenges for a chief in a small community surviving a political mind field and with the loyalty and help of a few members in the department, a police organization was rebuilt which resulted in an extraordinary police team of men and women.
