novel's high and low points while breaking down what is occurring behind the scenes Cabhan has much stacked against him yet again with warriors descendants of Sorchu and many others with great power hot on his heels The summer solstice battle has come and gone without a true winner so the group decides to destroy him by attacking the source of his power Cabhan prepares as he always does by focusing on the weaknesses of each member which this expert review also details The plot in Shadow Spell weakens a bit however as Cabhan true to his history underestimates the bonds between those he wishes to destroy The novel's true strength is in its portrayal of the budding romance between Connor and Meara The steam emanating from them almost makes the actual good vs evil theme seem like an afterthought and the novel is better for it Picturesque rural Ireland and the dense characters are the true stars in Shadow Spell not the urban fantasy aspect
