terrorists as the top domestic threat despite not a single fatal attack in the United States Noting that the FBI does not even compile accurate national data on white supremacist violence German also exposes the continuing tolerance of overt racism in law enforcement and police membership in white supremacist organizations The threat these officers pose became clear when at least twenty eight current and former law enforcement officials were alleged to have participated in the 2021 Capitol breach With chapters on The Rise of the Proud Boys A New Approach to Policing Hate Crimes and Policing the Police Policing White Supremacy shows how the lack of transparency and accountability in federal state and local law enforcement has eroded public trust and undermined democracy Law Enforcement s Role in Resisting White Supremacy points the way forward to a future where far right violence is recognized and addressed as the true threat it presents to our country
