In the Moment Mick E. Jones, 2013-10-08 A moment a scant sliver of time into which the breath of life may be shared with another One moment leads to another moment and a string of moments creates Time In time we see we hear we act and we judge We compare we look for we establish Some of the time in excellence some of the time in mediocrity Each moment is important to the fullness of time One moment poorly spent will inflict upon the remainder a taint hard to erase A moment well spent will endure a lifetime of joy Ultimately it is one's life in all its deviations The observations and the experiences openly shared and confessed in truth and spirit In the Moment It Is Written In this moment I have created a combination of events thoughts questions reflections and interactions that produce and give greater meaning and a deeper reverence for my personal relationship with God Our Father These influences have empowered me with a deeper perception of my purpose In the Moment
