Pauwels,2007-12-17 This book is about the popular cinema of North India Bollywood and how it recasts literary classics It addresses questions about the interface of film and literature such as how Bollywood movies rework literary themes offer different broader or narrower interpretations shift plots stories and characters to accommodate the medium and the economics of the genre sometimes even changing the way literature is read This book addresses the socio political implications of popular reinterpretations of elite culture exploring gender issues and the perceived sexism of the North Indian popular film and how that plays out when literature is reworked into film Written by an international group of experts on Indian literature and film the chapters in this book focus on these central questions but also cover a wide range of literary works that have been adapted in film Each part of the book discusses how a particular genre of literature has been recast into film The individual chapters focus on comparisons and close studies of individual films or film songs inspired by classics of literature The book will be of interest to those studying Indian film and literature and South Asian popular culture more generally      **Indian Culture** Joachim Heidrich,Hiltrud Rustau,Diethelm Weidemann,2002      *Studies in Jaina History and Culture* Peter Flügel,2006-02-01 The last ten years have seen interest in Jainism increasing with this previously little known Indian religion assuming a significant place in religious studies Studies in Jaina History and Culture breaks new ground by investigating the doctrinal differences and debates amongst the Jains rather than presenting Jainism as a seamless whole whose doctrinal core has remained virtually unchanged throughout its long history The focus of the book is the discourse concerning orthodoxy and heresy in the Jaina tradition the question of omniscience and Jaina logic role models for women and female identity Jaina schools and sects religious property law and ethics The internal diversity of the Jaina tradition and Jain techniques of living with diversity are explored from an interdisciplinary point of view by fifteen leading scholars in Jaina studies The contributors focus on the principal social units of the tradition the schools movements sects and orders rather than Jain religious culture in abstract Peter Flügel provides a representative snapshot of the current state of Jaina studies that will interest students and academics involved in the study of religion or South Asian cultures      **Asian Film Journeys** Rashmi Doraiswamy,Latika Padgaonkar,2011-02-02 For lovers of Asian cinema and for those simply curious to know its trends and moods experiments and innovations since it strode the world stage with assurance in the mid 80s Asian Film Journeys is a feast It presents a selection of articles that appeared in the pages of Cinemaya The Asian Film Quarterly between 1988 and 2004 articles that closely tracked the bold new film narrative of both the well known and the lesser known cinemas as it unfolded The Quarterly remained for fifteen years the one and only serious yet lively platform for writing on the cinemas of Asian countries Given that the writers were mostly Asian apart from some keen and long standing followers of Asian cinema from the West the

magazine offered for the first time a truly authentic point of view a look at films from within their cultures The book gives a bird s eye view of the style and substance art and craft of these cinemas and captures some of the Asian air it let in
