has lost many friends and some relatives have distanced themselves from him However they have stopped taking his predictions and advice lightly The author had long felt the need to share these incidents of clairvoyance with the larger world This book is the fulfillment of that desire to share The author has shared just thirty of his experiences in clairvoyance however there are many more which he could have kept back as they were either of very personal nature or not so important to be shared Moreover the author would like to state that anyone can develop their clairvoyant abilities by connecting properly with God One has to develop a very active conscience and make it a habit of listening to the intuitions that come to us through our conscience Our conscience Is the medium through which God conveys messages to us Hope this book will help the reader to start establish and develop a close relationship with God and listen to his prodding in our lives You may check the author's other books by visiting his blog at the link below <https://akfrancisauthor.blogspot.com> The readers are welcome to give their feedback to the author by writing to him at the email address given below Best Regards Be Blessed A K Francis Email akfrancis372@gmail.com **Woman to Woman** Eugenia Price, 2021-03-23 Like a wise counselor and friend New York Times bestselling author Eugenia Price speaks directly to women everywhere with practicality and inspiration With over one million copies in print Woman to Woman provides advice that will touch all women who strive for a Christ centered life
