Peña, 2006-05-16 Rich in period analysis here is fascinating historical perspective covering 250 years of existence primarily of a 1750 Spanish settlement originally called Villa del Seor San Ignacio de Loyola de Revilla and now known as Guerrero Viejo Although many books cover the genealogical aspects of families that originated in this city the historical contributions of the early pioneers their descendents and the controversy related to land grants called Porciones awarded by the King of Spain have for the most part remained in the background This then is the principal objective of this book The book provides summaries on the evolution history wars and problems of Mexico Using some of his ancestors as a sample the author shows the hardships they endured and discusses their contribution in the formation of the two great nations that the United States and Mexico have become At the same time the book shows that the land grants and heirs took one of two alternate roads depending on their location when Texas and other territories were ceded to the United States People and land grants located on the Mexican side were victims of the violent and blood soaked history that Mexico has had On the other hand those located on the U S side were subjected to mischief and flagrant violations of the terms of the Treaty of Guadalupe Hidalgo Sadly in 1953 the Falcon Dam inundated Guerrero Viejo and many of the land grants Thus for all intents and purposes the heirs of most land grants met the same end and a financial obligation of 193 0 Million plus interest exchanged between the U S and Mexico has remained unpaid for over

Go By The Four Winds Barbara Madrid, 2014-06-13 If a person commits a crime against another people and they are someday sorrowful of this crime they will ask forgiveness from the person we may or may not be forgiven if we are not forgiven either way we need to let it go They will forgive you in their time when it is right for them that is the Creator's job not yours In asking forgiveness from the Creator you need to let it go The Creator immediately will forgive us once we ask it of Him It is our human nature to think sometimes our crimes are too horrific in nature The human in us tells us Creator can't forgive those it is the human in us that makes us think it is the human in us we need to turn off Only then is when we listen to our heart The Creator does not have a court with a judge jury or prosecutor there is only One Him He does not have a scale or measure to determine or compare one crime to another to Him a crime is a crime if the crime is being an adulterer a liar or a murderer to Him they are all the same the punishment is the same What matters is not the crime but that you were spiritual enough to ask forgiveness from our Creator Don't let the human in you think you cannot be forgiven that is Satan influencing you Satan will want you to think you are no good and can't possibly be forgiven DO NOT listen to that one Let your heart your spirit take over with the understanding it is done The Creator wants

you to know you do not repeatedly need to be forgiven for the same crime You have been forgiven so you are to go on as He intended He created us to be happy so that is what you will do And you are to be sure you forgive others for their crimes against you That is just how it works

Prophecy Wayne J. Bentley,2022-08-25 Prophecy Now through End Times starts with the Great Apostasy a falling away and continues to explain the events of Revelation in order up to the Return of Jesus If Jesus did not return the events explained in this text would lead to the extinction of humanity Jesus said No flesh shall be saved Humanity ends it is an extinction event The events leading up to Jesus s return have the days shortened and the Earth tilting four times killing off most of humanity Everyone in Asia dies except the two hundred million man army that is attacking Israel when Jesus returns Here in the United States the coastlines will be destroyed by an object from outer space that hits the Earth and sends tidal waves around the globe The heartland will survive with the help of the Church of Philadelphia There is little to zero trade between the countries of the world because the object from space destroys the ships The Antichrist rules in the revived Holy Roman Empire and declares himself god He kills every Catholic in his empire and attacks Israel Jesus said Watch that you may be accounted worthy to escape all these things <https://www.prophecynowtoendtimes.com>
