Abstract

- Some members of this group believe that spiritualism was very primitive, even pagan and as a religious movement in America had degenerated into superstition. Nevertheless, the fact that religiously minded people and the scientific community have both been interested in this subject is a strong sign of its importance. The fact that this subject has received the attention of the highest scientific authorities is also a strong indication of its importance. It is the hope of the author that this book will be of some service to the scientific community.
