Making the Great Book of Songs Hilary Kilpatrick, 2003 This is the first systematic literary study of one of the masterpieces of classical Arabic literature the fourth tenth century Kit b al agh n The Book of Songs by Ab I Faraj al Isbah n Until now the twenty four volume Book of Songs has been regarded as a rather chaotic but priceless mine of information about classical Arabic music literature and culture This book approaches it as a work of literature in its own right with its own internal logic and coherence The study also consistently integrates the musical component into the analysis and proposes a reading of the work in which individual anecdotes and poems are related to the wider context enhancing their meaning

The Book of Monasteries al-Shābushtī, 2025-03-04 A literary tour of Christian monasteries of the medieval Middle East The Book of Monasteries takes readers on a tour of the monasteries of the Middle East by presenting the rich variety of poetry and prose associated with each monastery Starting with Baghdad readers are taken up the Tigris into the mountains of south eastern Anatolia before moving to Palestine and Syria along the Euphrates down to the old Christian center of rah and onward to Egypt For the literary anthologist al Sh busht who was Muslim monasteries were important sites of interactions with Christian communities that made up about half the population of the Abbasid Empire at the time Each section in this anthology covers a specific monastery beginning with a discussion of its location and the reason for its name Al Sh busht presents poems anecdotes and historical reports related to each He selects heroic and spectacular incidents illustrations of caliphal extravagance and events that gave rise to memorable verse Important political personalities and events that were indirectly linked with monasteries also appear in the collection as do scenes of festive court life and gruesome murders Al Sh busht uses these accounts not to teach history but to offer a meditation on the splendor of Abbasid culture as well as moral and philosophical lessons the ephemerality of power the virtues of generosity and tolerance the effectiveness of eloquence in prose and poetry the fleeting nature of pleasure and beauty Translated into English for the first time The Book of Monasteries offers an entertaining panorama of religious political and literary life during the Abbasid era An English only edition

Philosophy and Arts in the Islamic World Union européenne des arabisants et islamisants. Congress, 1998 The volume contains 26 contributions to literature philosophy linguistics and epigraphy in Islamic culture ranging from pre Islamic poetry to contemporary prose from the Ihwan as Safa to the theology of Mawdudi from lexicography to epigraphy These papers were read at the Eighteenth International Congress of the Union Européenne des Arabisants et Islamisants organized by the Catholic University of Leuven KUL from 3 to 10 September 1996 A second volume of proceedings that appears along with this one OLA 86 is more concerned with questions of actuality and political organisation including Christian minorities in the Arab world in their relation to the Muslim environment As such the two volumes put together will provide to the world of learning we may say an overall picture of the current scientific investigations about Islamic culture and society
