Seven Decades of My Life (Classic Reprint) James Reid Cole,2017-12-02 Excerpt from Seven Decades of My Life There are pictures of childhood and manhood and old age pictures of love and battle and joy and sorrow pictures of success and failures of struggles and peace pictures of music and discord of friends and enemies I propose to talk about these pictures for a while I don't know how long You needn't listen unless you like it won't hurt you to listen and it may not make you any wiser it may put you to sleep and that will be well or it may help you to while away an hour when you have nothing better to do There will be nothing wonderful about these pictures for they will represent the movements of an ordinary life and I am no great artist I propose to divide these seventy years into Seven Decades and compare the importance and the work of each with the others First when the rod was not spared Second when the girl appeared Third when the wife was found Fourth when the voices of children were heard Fifth when the battle for bread was on and the city lured Sixth when the footprints were on the mountain top and the face was towards the sunset Seventh when the yellow leaf was uttering in the wintry winds and the snows began to fall and the time approached when the silver cord was to be loosed or the golden bowl was to be broken About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Classic Papers in Geriatric Medicine with Current Commentaries Robert J. Pignolo, Monica Crane, Mary Ann Forciea, 2010-04-28 The field of geriatrics foundations is rooted in the classic papers of early descriptions of aging and age related diseases In *Classic Papers in Geriatric Medicine with Current Commentaries* the authors chose the classic papers providing a combination of expert opinion and objective assessment The 15 areas in this volume represent the beginnings of practice and thoughts about the best ways to care for older patients Each paper is introduced by a commentary describing the singular contributions of the chosen paper with a short list of other important early papers in that area and in

many cases reflect on progress in that particular field The commentaries are personal statements by the authors about the influence of the papers chosen not meant to be exhaustive reviews of the clinical area in question Classic Papers in Geriatric Medicine with Current Commentaries exemplifies the importance of a paper and its ability to retain its impact over time While many of the classic papers in this collection have stood the test of time others have gained classic status by virtue of their profound influence in relatively quick measure or because of timeliness in filling a void in knowledge *Interior Lights in a Dark Universe* Richard Schain, 2012-01-27 INTERIOR LIGHTS expresses a philosophy of interior self and a defense of metaphysical reality The bulk of the book is composed of trechos Port literary passages that contain the authors personal and philosophical meditations Issues addressed include what is a soul interior development through writing bourgeois reality metaphysical reality and independent spirituality From the books preface Certain states of mind are required for a reader to gain something from this work These are 1 The ability to read slowly in order to reflect on unfamiliar or impolitic ideas and 2 A sense of being at odds with society The reader must feel the need to separate himself in some way from the world in which he lives It is not for those who wish only to strengthen their position in it 3 Most important of all a reader must have a metaphysical sensibility He or she must be aware that the material world is not all that there is and that there is a dimension of reality not experienced in our daily object oriented existence INTERIOR LIGHTS is essential reading for writers publishers literary agents and all those interested in development of self through the writing process M Dreisbach Ph D CSU Professor Emeritus of Education Your books are vivid and full of ideas I quite agree with you that the world is in need of art and not historical scholars One can doubt everything but if one writes one must be secretly a fanatic of ones mind E M Cioran Richard Schain is a member of a small but significant group of independent philosophers working outside of academic philosophy I believe that his writings serve as powerful testimony to the value of the life of the mind and the perennial urgency of the questions of metaphysics Geoffrey Klempner D Phil Director of Studies International Society for Philosophers Editor Philosophy Pathways **Academy, with which are Incorporated Literature and the English Review** ,1893

Schubert's Reputation from His Time to Ours Geoffrey Block, 2024-12-30 The composer Franz Schubert 1797 1828 was not bereft of early advocates from Schumann Liszt and Mahler to Sir George Grove Brahms famously heralded Schubert as the true successor to Beethoven Nevertheless it was not until the end of the twentieth century that Schubert s major instrumental works finally and fully emerged from Beethoven s shadow Critics and scholars began to reinterpret Schubert s departures from Beethoven s formal and stylistic

characteristics and to see these departures not as flaws but as strengths and hallmarks of a new paradigm Schubert's alternate constructions of masculine subjectivities first described by Schumann in 1838 parallel a developing appreciation for lyricism melody and song traits historically regarded as feminine Consequently Schubert's approach is increasingly viewed as innovative and divergent rather than defective and deviant Schubert's Reputation from His Time to Ours tells the story of how and why this has happened **All Music Guide** Vladimir Bogdanov,Chris Woodstra,Stephen Thomas Erlewine,2001-11 Arranged in sixteen musical categories provides entries for twenty thousand releases from four thousand artists and includes a history of each musical genre Athenaeum ,1872 **The Life for Me** Rupert Croft-Cooke,1952 An English author buys and remodels a Georgian house in the country **The Publishers Weekly** ,1926
