To Oil the Machine

FIG. 14

To ensure easy running the machine requires to be oiled so that all moving parts in contact are covered with a film of oil. These should never be allowed to become dry.

If used constantly, the machine should be oiled daily, while with moderate use, an occasional oiling is sufficient. A drop of oil applied at the points indicated by arrows in Figs. 14 and 15 is sufficient. The small plate in front of the machine and the larger plate at the back should both be turned up and oil applied to the parts exposed. It is important that oil be applied to point "A," Fig. 14, when the take-up lever (2, Fig. 5) is at its lowest, and a little oil rubbed over the surface of the shuttle race. There are also two holes in the hand attachment to which oil should be applied occasionally. When oiling, insert the oil can spout well into the holes.

Since its early days of mass production in the 1850s the sewing machine has been intricately connected with the global development of capitalism Andrew Gordon traces the machine s remarkable journey into and throughout Japan where it not only transformed manners of dress but also helped change patterns of daily life class structure and the role of women As he explores the selling buying and use of the sewing machine in the early to mid twentieth century Gordon finds that its history is a lens through which we can examine the modern transformation of daily life in Japan Both as a tool of production and as an object of consumer desire the sewing machine is entwined with the emergence and ascendance of the middle class of the female consumer and of the professional home manager as defining elements of Japanese modernity *New Hampshire Register, State Yearbook and Legislative Manual* ,1986 *SINGER Simple Mending & Repair* , **Organizational and Maintenance Manual** ,1990 *Associations' Publications in Print* ,1981 1981 in 2 v v 1 Subject index v 2 Title index Publisher title index Association name index Acronym index Key to publishers and distributors abbreviations **Annual Report, Treasurer of the State of New Jersey ...** New Jersey.
