Real Marriage Mark Driscoll, Grace Driscoll, 2013-01-07 Most marriage books assume the author did it right Most marriage books barely mention friendship Most marriage books use intimacy as code for sex This is not one of those books In *Real Marriage* Pastor Mark Driscoll and his wife Grace share how they have struggled and how they have found healing through the power of the only reliable source the Bible They believe friendship is fundamental to marriage but not easy to maintain So they offer practical advice on how to make your spouse your best friend and keep it that way And they know from experience that sex related issues need to be addressed directly Five chapters are dedicated to answering questions like Should I confess my pre marital sexual sin to my spouse Is it okay to have a work spouse What does the Bible say about masturbation and oral sex Stunningly honest and vulnerable *Real Marriage* is like a personal counseling session with a couple you cannot surprise you cannot shock into silence who will respond to every question with wisdom humility and realism If you want to have a long lasting fulfilling marriage you should read this book Wrestle with this book Pray over this book Share this book And discover how God can use it to change your life Endorsements If you re married or plan to be someday do yourself a favor and read every page of this book DRS LES LESLIE PARROTT Founders of RealRelationships com and authors of Love Talk Whether engaged newlywed or veteran *Real Marriage* will serve as an invaluable resource I highly recommend this book ANDY STANLEY author of The Grace of God and Senior Pastor North Point Community Church One of my greatest concerns is that culture is going to continually define and redefine what marriage is and is not and the church is going to simply sit on the sidelines and react rather than seeking to actually become proactive by confidently teaching what the Bible has to say about it That is why I am so thankful that Mark and Grace Driscoll wrote this book Their approach to marriage its benefits and challenges are transparent and challenging and I honestly believe that every married couple who will work through what they lead us through in this book will not just merely have a marriage that survives in this world but rather thrives in it PERRY NOBLE Senior Pastor NewSpring Church Our thanks to Mark and Grace Driscoll who have served this generation well by tastefully but boldly addressing the real issues facing real marriages Taking the unchanging truth of God s word and sprinkling in is the story of God s mercy in their own marriage they have filled every chapter with real helpfulness This book is powerful biblical practical and healing for marriages that hurt My wife and our adult children read it to great profit DR JAMES MACDONALD Senior Pastor Harvest Bible Chapel and Bible teacher for Walk in the Word
