Dangerous Crossings Claire Jean Kim, 2015-04-20 Dangerous Crossings interprets disputes in the United States over the use of animals in the cultural practices of nonwhite peoples **Palliative Medicine and Hospice Care, An Issue of Veterinary Clinics: Small Animal Practice** Tami Shearer, 2011-05-28 Introducing one of the first primers on palliative and hospice care for the small animal veterinarian Guest edited by Dr Tami Shearer this volume will include topics such as the history of pet hospice delivery systems of veterinary hospice and palliative care 5 step pet hospice plan a veterinarian s role in helping pet owners with decision making quality of life assessment techniques assessment and treatment of pain in life limiting disease the role of rehabilitation techniques for hospice and palliative care patients the role of nutrition and alternative care methods in hospice and palliative care patients emotional support tips ethical considerations in life limiting conditions case studies and much more *The Oxford Handbook of Animal Studies* Linda Kalof, 2017-02-01 Intellectual struggles with the animal question how humans can rethink and reconfigure their relationships with other animals first began to take hold in the 1970s Over the next forty years scholars from a wide range of fields would make sweeping reevaluations of the relationship between humans and other animals The Oxford Handbook of Animal Studies brings these diverse evaluations together for the first time paying special attention to the commodification of animals the degradation of the natural world and a staggering loss of animal habitat and species extinction and the increasing need for humans to coexist with other animals in urban rural and natural contexts Linda Kalof maps these themes into the five major categories that structure this volume Animals in the Landscape of Law Politics and Public Policy Animal Intentionality Agency and Reflexive Thinking Animals as Objects in Science Food Spectacle and Sport Animals in Cultural Representations and Animals in Ecosystems Written by international scholars with backgrounds in philosophy law history English art sociology geography archaeology environmental studies cultural studies and animal advocacy the thirty chapters in this handbook investigate key issues and concepts central to understanding our current relationship with other animals and the potential for coexistence in an ecological community of living beings *The National Humane Review*, 1927 *Our Animals*, 1926 **Men and Their Dogs** Christopher Blazina, Lori R. Kogan, 2016-04-13 The healing power of the bond between men and dogs is explored in this unique book Three important themes emerge attachment loss and continued bonds with canine companions for males across the life span and from various contextual backgrounds The contributors replace common assumptions with needed context pertaining to men s emotions and relationships starting with the impact of gender norms on attachment and including robust data on how canine companionship may counter Western culture socialization The chapters engage readers with details pertaining to ways in which dogs help men develop stable caring relationships process feelings and cope with stress within a variety of environments including home school and treatment programs for veterans prisoners and youth The book also address men s loss of companion animals and the need for building new ways of sustaining the memory and meaning of the

bond in males lives referred to as a continuing bond From these various vantage points therapeutic insights and relevant findings bring a new depth of understanding to this compelling topic Included in the coverage Masculine gender role conflict theory research and practice implications for understanding the human animal bond in males lives At risk youth and at risk dogs helping one another An examination of human animal interaction as an outlet for healthy masculinity in prison Exploring how the human animal bond affects men s relational capacity to make and sustain meaningful attachment bonds with both human and animal companions li Older adults and companion animals physical and psychological benefits of the bond Continuing the bonds with animal companions implications for men grieving the loss of a dog Probing the deeper concepts behind man s best friend Men and Their Dogs provides a rich clinical understanding of this timeless bond and should be of special interest to health psychologists clinical psychologists academicians social workers nurses counselors life coaches and dog lovers Civil Grand Jury Reports California. Grand Jury (San Francisco),1996 **Beware of Dog** Melissa Crawley,2021-05-13 For many of us the only way we meet dangerous dogs is through news reports about vicious attacks and films and TV shows that feature out of control versions of man s best friend But there s more to the Bad Dog s story than sensational headlines and movie beasts A deeper look at these representations reveals a villain much closer to home This book takes the reader on a rich journey through depictions of violent dogs in popular media It explores how press accounts and screen stories transform canines into bloodthirsty hunters rabies infested strays ferocious fighters rogue law enforcement partners and diabolical pets all adding up to a frightening picture of our usually beloved companions But when media tells the dangerous dog s story it is often with a deep connection to the person on the other end of the leash

Careers with Dogs Kim Campbell Thornton,2011-01-11 Today s job market has inspired many in the work force to reevaluate their career choices and to reinvent themselves Careers with Dogs is an engaging resource book for anyone who wants to learn about the many and varied canine related jobs available today From veterinary technician and medical specialist to dog trainer and professional handler this comprehensive volume covers every imaginable job offering advice to recent high school and college graduates as well as adults seeking a new profession Each chapter provides information on individual occupations in depth narratives about a day in the life of a professional on the job the education and training required salary and job forecast information as well as an up to date listing of resources and career sites to help the hopefuls find their place in the dog eat dog world Careers with Dogs is the best and most complete source on the market for all those who love dogs and want to realize their career potential in a dog centric industry **The Starry Cross** ,1927 **Cat**

Fanciers' Almanac ,1996-11 Our Dumb Animals George Thorndike Angell,1922 **Heart and Blood** Richard Nelson,1998-09-29 Examines the physiology of deer and describes how they have had to adapt to man s encroachment on their natural environments in varied parts of the United States The Animal's Agenda ,1999 **The Dog Merchants** Kim Kavin,2016-05-03 In what promises to become an Omnivore s Dilemma for dog lovers breed devotees and adoption advocates

alike The Dog Merchants is the first book to explain the complex and often surprisingly similar business practices that extend from the American Kennel Club to local shelters from Westminster champions to dog auctions Without judging dog lovers of any stripe The Dog Merchants makes it clear that money spent among these dog merchants has real world effects on people and canines Kavin reveals how dog merchants create markets for dogs often in defiance of the usual rules of supply and demand She takes an investigative approach and meets breeders and rescuers at all levels shedding much needed light on an industry that most people don t even realize is an industry Kavin s goal is to advance the conversation about how all dogs are treated from puppy mills to high kill shelters She shows that a great deal can be improved by understanding the business practices behind selling dogs of all kinds Instead of pitting rescue and purebred people against each other The Dog Merchants shows how all dog lovers can come together with one voice as consumers on behalf of all our beloved companions
