A cross-cultural exploration of truth, forgiveness, reconciliation and healing Doris H. Gray, 2020-08-21 In this small volume Doris H Gray shares her reflections on human responses to trauma especially when it is kept secret and on attempts at healing that transcend boundaries She offers insights on how individuals recover from trauma in particular when official procedures for redress and professional help are not available She challenges conventional notions of forgiveness and reconciliation which often put the pressure on victims to move forward Most of all Gray finds that victims efforts to come to terms with trauma are not disconnected but are related across time culture religion and geography Part of this book narrates Gray's personal experiences of growing up with her father who was a Holocaust survivor the sudden death of her oldest child her own rape and soon thereafter the death of her husband She describes how these events shaped her scholarly research especially that on women who were victims of torture and extreme discrimination during the Tunisian dictatorship of Zine El Abidine Ben Ali 1989 2011 It is the sum of these experiences that lays the foundation for this brave book Dr Doris H Gray was Director of the Hillary Clinton Center for Women s Empowerment at Al Akhawayn University in Ifrane Morocco where she also served as Professor of Women and Gender Studies Before moving to Morocco she taught in the Gender Studies Program and the Department of Modern Languages at Florida State University in Tallahassee Florida USA Her research focuses on gender

Coffin, 2020-09-15 When Judith G Coffin discovered a virtually unexplored treasure trove of letters to Simone de Beauvoir from Beauvoir s international readers it inspired Coffin to explore the intimate bond between the famed author and her reading public This correspondence at the heart of Sex Love and Letters immerses us in the tumultuous decades from the late 1940s to the 1970s from the painful aftermath of World War II to the horror and shame of French colonial brutality in Algeria and through the dilemmas and exhilarations of the early gay liberation and feminist movements The letters also provide a glimpse into the power of reading and the power of readers to seduce their favorite authors The relationship between Beauvoir and her audience proved especially long intimate and vexed Coffin traces this relationship from the publication of Beauvoir's acclaimed The Second Sex to the release of the last volume of her memoirs offering an unfamiliar perspective on one of the most magnetic and polarizing philosophers of the twentieth century Along the way we meet many of the greatest writers of Beauvoir's generation Hannah Arendt Dominique Aury author of The Story of O Fran ois Mauriac winner of the Nobel Prize and nemesis of Albert Camus Betty Friedan and of course Jean Paul Sartre bringing the electrically charged salon experience to life Sex Love and Letters lays bare the private lives and political emotions of the letter writers and of Beauvoir herself Her readers did not simply pen fan letters but as

Coffin shows engaged in a dialogue that revealed intellectual and literary life to be a joint and collaborative production This must happen to you often doesn t it wrote one That people write to you and tell you about their lives Marriage Julie Coleman, 2022-06-13 If the language we use influences and reflects the way that we see the world then the fields of LOVE SEX and MARRIAGE will show how speakers of English view their closest social and emotional relationships Love Sex and Marriage provides a classification of English terms for these three fields from the earliest written records of the language until the present day This volume makes it possible to trace changing attitudes towards social and sexual ties and to understand those ties as earlier speakers of English did through the language they used The terms are arranged by meaning and are listed chronologically within semantic fields with their dates of usage Notes on individual terms provide further information about their connotations and development Language does not exist in isolation from the people who speak it so background information about changes in social conditions religious beliefs and medical advancements is also included A brief introduction to basic semantic terminology explains the principles behind the classification and an alphabetical index facilitates the location of individual terms The Publishers Weekly ,1922 **American Quaker** Romances Carolina Fernández Rodríguez, 2021-12-20 Quaker characters have peopled many an American literary work most notably Uncle Tom's Cabin as Quakerism has been historically associated with progressive attitudes and the advancement of social justice With the rise in recent years of the Christian romance market dominated by American Evangelical companies there has been a renewed interest in fictional Quakers In the historical Quaker romances analyzed in this book Quaker heroines often devote time to spiritual considerations advocate the sanctity of marriage and promote traditional family values However their concern with social justice also leads them to engage in subversive behavior and to question the status quo as illustrated by heroines who are active on the Underground Railroad or are seen organizing the Seneca Falls convention Though relatively liberal in terms of gender Quaker romances are considerably less progressive when it comes to race relations Thus they reflect America's conflicted relationship with its history of race and gender abuse and the country's tendency to both resist and advocate social change Ultimately Quaker romances reinforce the myth of America as a White and Christian nation here embodied by the Quaker heroine the all powerful savior who rescues Native Americans African Americans and Jews while conquering the hero's heart Making Sense of Evil Melissa Dearey, 2014-05-02 When it comes to crime everyone seems to take evil seriously as an explanatory concept except criminologists. Geiger, 2007-04-30 The enduring popularity of Polynesia in western literature art and film attests to the pleasures that Pacific islands have over the centuries afforded the consuming gaze of the west connoting solitude release from cares and more recently self renewal away from urbanized modern life Facing the Pacific is the first study to offer a detailed look at the United States intense engagement with the myth of the South Seas just after the First World War when at home a popular vogue for all things Polynesian seemed to echo the expansion of U S imperialist activities abroad Jeffrey Geiger looks at a variety of texts that helped to invent a vision of Polynesia for U S audiences focusing on a group of writers and filmmakers whose mutual fascination with the South Pacific drew them together and would eventually drive some of them apart Key figures discussed in this volume are Frederick O Brien author of the bestseller White Shadows in the South Seas filmmaker Robert Flaherty and his wife Frances Hubbard Flaherty who collaborated on Moana director W S Van Dyke who worked with Robert Flaherty on MGM s adaptation of White Shadows and Expressionist director F W Murnau whose last film Tabu was co directed with Flaherty The Shadow of the Cross Sisir Kumar Das, 1974 Description The challenge of Christianity played a very significant role in the resurgence of Bengal in the nineteenth century. The Hindu intellectuals had to reinterpret his theological position to meet this new challenge which also made him aware of his own religious heritage It thus helped the growth of a religious nationalism which culminated into a political nationalism towards the close of that century The nature of this confrontation between Christianity and Hinduism is the subject of this book Christianity appeared in Bengal as a western religion the religion of her new ruler and it posed a threat to the very way of life of a Bengali Hindu The religious movements which grew out of its challenge did not remain confined to theological debates only but had a wider area of operation and were associated with all other social movements which constituted and regulated the currents of the so called Bengal Renaissance This book traces the history of the Hindu response to Christianity in its various stages and describes the nature of Hindu religious movements which reflect the complexities and confusions the aspirations and failures of the Bengali mind in search of a new ethics and a new set of values The book thus provides a general model of the study of religious confrontation in a colonial situation The Griffith Project, Volume 10 Paolo Cherchi Usai, 2019-07-25 No other silent film director has been so extensively studied as D W Griffith However only a small group of his more than five hundred films had been the subject of a systematic analysis Now for the first time in film studies the complete creative output of Griffith from Professional Jealousy 1907 to The Struggle 1931 is
