Shadow Of Death Community Of Faith Mysteries Book 2:

The Tears, Sighs, Complaints, and Prayers of the Church of England John Gauden, 1659 *The Poisoned Chalice (Tudor Mysteries, Book 2)* Paul Doherty, 2012-11-27 Roger and Benjamin are sent to Paris on a secret errand of state importance. Violent death, danger, and treachery abound in *The Poisoned Chalice*, the second journal of the incorrigible Roger Shallot from acclaimed historical author Paul Doherty. Perfect for fans of Ellis Peters and Susannah Gregory. In 1521, England is at peace under the magnificent Cardinal Wolsey who rules the country while Henry VIII spends his time in masques, banquets, and hunting, whether it be the fleet-footed deer or the even more delicious quarry of the silken garbed ladies of the court. But Richard Falconer, chief secretary of the English embassy in Paris, has been found mysteriously murdered. Wolsey believes that Falconer's death is connected with the disturbing news that there is a spy in the English court or in its embassy in Paris, passing information to King Francis I of France. He summons his nephew Benjamin Daunbey and the wayward Roger Shallot to investigate. The only clue is the spy's code name, Raphael. King Henry has secret instructions of his own before the pair journey to Paris to retrieve a precious ring, the subject of a wager, and a certain book that the King does not want to fall into enemy hands. They are not to return to England without them. What readers are saying about *The Poisoned Chalice*: Shallot is a superb character and his voice is once again portrayed convincingly. The story moves along briskly, sprinkled liberally with foul murder to an unexpectedly sensitive and touching ending. Paul Doherty seems to be able to turn his hand to virtually any century in history. The Song of the Gladiator (Ancient Rome Mysteries, Book 2) Paul Doherty, 2012-10-30 Mass murder is committed in one of the Emperor's own villas; can Claudia hunt down the perpetrator? *The Song of the Gladiator* is the second dramatic historical novel from Paul Doherty, set in the turbulence of Roman society to feature imperial secret agent Claudia. Perfect for fans of Lindsey Davis and Steven Saylor. 313 AD and tempers are rising in Rome. The Emperor Constantine and his mother Helena are trying to make sense of the new Christian religion which is spreading through the Empire, but the Christians can't agree among themselves. Scholars are locked in a bitter struggle over whether Christ really was the son of God, and Constantine invites delegates from both sides to debate before him at his villa. Now strange things start to happen. Envoys from both sides are found murdered in a most macabre way. The villa is secretly attacked and the Holy Sword is stolen. Helena calls on the help of her secret agent Claudia, that shrewd unobtrusive detective, to untangle the dangerous web of intrigue. As she sets to work, the spy is also facing a crisis in her own life. What readers are saying about Paul Doherty: Paul Doherty's books are a joy to read. The sounds and smells of the period seem to waft from the pages of Paul Doherty's books. A great read. I recommend to anyone who loves a good mystery. Katembo,2020-11-30 The Pauline epistles are filled with beautiful and provocative metaphors for the church it is a bride a body a flock a temple Each of these metaphors emphasizes the central unity and indivisibility of the people of God Yet how do Christians live out this unity in the face of ethnic conflict tribalism and political divisions In this powerful application of Paul's teaching Fabrice S Katembo explores the mystery of the church in an African context arguing that the greatest challenge facing God's people is not external threat but internal discord Katembo draws his reader's attention back to the unifying work of Christ who died to abolish all walls of separation and in whom we are one no matter the tongue tribe or nation Providing an overview of Paul's life and ministry and engaging the work of renowned theologians such as John Mbiti and Kwame Bediako this is an excellent resource for anyone facing intercultural tensions within the church It is also a vital reminder that far from harmless divisions between believers threaten to cripple the body of Christ by distorting its witness injuring its members and separating what Christ died to unify
