Shadows of Doubt Noel Redican,2008 Ireland in 1928 was a place of conflicted loyalty changing politics and in tense subterfuge When Sean Harling a civic guard and former republican shot dead a known IRA member Timothy Coughlan his former friends in the wider republican movement cried foul Harling claimed he had been ambushed but though cleared of wrong doing by a tribunal and inquest he was forced to give up his job and flee the country He eventually returned to Ireland but his family suffered years of rumour and suspicion Revealing private conversations that suggest Harling was playing a much murkier role than even his detractors would suggest Noel Redican delves into the dark and shifting history of Ireland s first decade as an independent state when politics was fluid and murderous tensions were never far from the surface BOOK

JACKET The Shadow of Terror Pasquale De Marco,2025-05-11 The Shadow of Terror is an exploration of the shadow of terror that lurks within us all Through its pages we will journey into the abyss of our fears uncovering the hidden truths that lie beneath We will examine the masks we wear to conceal our vulnerabilities the echoes of the past that haunt our present and the fragile nature of our sanity But this journey is not one of despair It is a journey of hope resilience and transformation For within the darkness we can discover the seeds of our own strength We can learn to embrace our vulnerabilities find solace in the face of loss and emerge from the depths of despair with a renewed sense of purpose and meaning This book is not a quick fix or a magic bullet It is a companion on the path to self discovery a guide through the shadows that can lead us to a place of greater light It is an invitation to confront our fears to heal our wounds and to embrace the fullness of our humanity As we embark on this journey together let us remember that we are not alone The shadow of terror may loom large but it cannot extinguish the light within us With courage as our guide and hope as our compass we can navigate the darkness and find our way to a brighter future The Shadow of Terror is a book for anyone who has ever struggled with fear doubt or despair It is a book for those who are ready to confront their shadows and emerge from the darkness stronger than ever before If you like this book write a review on google books **Shadows of Doubt** Brendan O'Flaherty,Rajiv
