Naveen Reddy, 2014-07-25 Everyone experiences emotions that remain as strong memories throughout the life the strongest one being first love The funny part is it occurs at the most unexpected of times Edy Ravenden a student of Morey's Public School was too oblivious to the events that was to occur in the course of one year's time the most important year of his academic career grade 10 A new stern principal a pretty newcomer a best friend with psychological skills obtained from his expert dad and a new joiner to the First Benchers group who happens to be an excellent situation analyzer all turn out to be the catalysts to Edy's first love Luck finally brings two first time lovers together But unfortunately the love of the girl is revealed through her confiscated personal diary at a time that can be described as very undesirable as the envy of a jealous classmate leads to the disaster Edy holds on to his rail thin hopes to make things right for his lady love But fate is never constant and change is ever as inevitable as change itself The universal truth is that everything goes from an orderly state to a disorderly state Shadow Lance Watson, 2024-11-19 To many I'm just an ordinary boy but deep down I'm no ordinary boy nor am I a child I've lived my life in the cold dark ruthless and corrupted city known as United City My father did the best he could to raise me and throughout my life I've only ever managed to develop a friendship with my friend Avery and somewhat of a love interest with Ashley but even the bond between them can't suppress the darkness within my heart after these three men took the life of my father in the most brutal way right in my eyes Now I shall channel the darkness within my heart and kill anybody responsible for the death of my father I could care less if it's a man woman or child I will make the men who killed my father suffer in the most brutal way and then watch them take their last breath when I take their lives The darkness within my heart shall morph me into the dark hood into the Shadow I must become to exact my revenge They say when you begin your quest for revenge dig two graves one for your enemy and one for yourself My quest for revenge will end with countless graves being created but

none of them will be for me My name is Eli Jones and this is the story of how I achieved my revenge and how my actions ultimately have consequences
