

SONNET 147

My love is as a fever, longing still
For that which longer nurseth the disease,
Feeding on that which doth preserve the ill,
Th' uncertain sickly appetite to please.

My reason, the physician to my love,
Angry that his prescriptions are not kept,
Hath left me, and I desperate now approve
Desire is death, which physic did except.
Past cure I am, now reason is past care,
And frantic-mad with evermore unrest
My thoughts and my discourse as madmen's
are,

At random from the truth vainly expressed
For I have sworn thee fair, and thought thee
bright,

Who art as black as hell, as dark as night

 Antiquarian Bookman ,1966 **Chronicling Ben-Hur's Climb, 1880-1924** Barbara Ryan,2019-04-29 First published in 1880 Lew Wallace s Ben Hur is one of the best selling novels of all time Employing analytical strategies from the fields of literature fan studies reception history and media research Barbara Ryan traces Ben Hur s popularity from 1880 to 1924 She

analyzes fan mail as well as a wide range of manuscript and print sources using as her starting place two letters in which admirers declared that they would rather be the author of Ben Hur than to be President of the United States Ryan's discussion of the novel in terms of its contemporary fandom makes it possible for her to dispel misconceptions about the novel's audience which include assumptions about its popularity with all Christians She makes fascinating connections between Ben Hur slavery discourse and the changing nature of U S politics to challenge critics who assume that Wallace consciously used a sure fire formula By shedding light on attempts to squash the novel's popularity Ryan examines dramatizations of Ben Hur by amateurs and on Broadway Her in depth reception history of Ben Hur's incarnations in print and on stage establishes the novel's importance for understanding nineteenth century U S literature politics and culture
