Student Training Manual

Introduction

Welcome to New Orleans Shaolin. Enclosed in this document are some materials to assist you in your introduction to the *kwoon*, or school. You will find the school rules, training tips, information on rank advancement, tournaments, and information on all of the school programs. We hope you will refer to the manual often and we encourage you to keep a journal for yourself wherein you can keep notes on your training, your forms, and to set and track your goals.

At New Orleans Shaolin, we teach an art called Shaolin-Do, or "the way of Shaolin". Shaolin-Do is more than a martial art. It is a path. It is not merely a way of fighting but a path to the mastery of life. Tournaments and ranking are not emphasized in this style, though both exist within it. Our founder Grandmaster Sin Kwang The' teaches health, longevity and appreciation of life. As we like to say, being an excellent fighter and being capable of defending your family and loved ones is just one of the benefits. **The practice is the goal.**

Mission

To preserve and embody the mental and physical practices of the Shaolin temples.

Shaolin-Do, however, is more than just a fighting art; it is a way of perfecting oneself. By attempting to master these ancient styles of fighting, we actually come closer to mastering ourselves. This happens as you are learning to make your body perform tasks and postures that it has never attempted before, your mind begins to realize that you can do anything and this wonderful idea pervades every aspect of your life! This is not to imply that after you have trained with Shaolin-Do for a time that you will be able to do anything! The key is
