Student Engagement in Today's Learning Environments Justin A. Collins, 2014-05-01

As long as the free market has reigned private sector firms have confronted a produce or perish existence For a host of reasons public organizations increasingly face these competitive pressures as well But public organizations in the most unexpected of places have answered the call to evolve productively with fantastic success Unfortunately public schools can rarely be counted among them Faddish acronym school improvement plans always offer grand results and almost never deliver upon such promises Understandably the farther public educational quality slides into decline the sharper the urge to grope for radical reform plans This book in contrast argues that a key element of reform has remained in plain view for decades but has gone unmentioned unmeasured and unused in reform plans student engagement More specifically quantifying how the instructional time is passed provides not only a sound proxy to educational quality but is shown to be tightly linked to the test score needle Of course the differences across school types and geographies are pronounced Mindful of such differences this book discusses each school type according to the hard numbers across buildings

Battling the Student Engagement Front Justin A. Collins, 2014-06-04

The school finance debate has profoundly shaped the educational reform landscape over the past four decades Most conspicuously judges level billion dollar decrees based on scant and conflicting findings This book sought to explore whether school funding practices satisfy the equity and adequacy standards delineated by policymakers and judges and demanded by the broader public A funding formula myopia the book argues has left student engagement largely overlooked It comes as no surprise therefore that vast funding enhancements have

introduced disappointing outcomes results The book argues the front of the classroom must become and remain the epicenter of reform activity and that transforming instructional and engagement behaviors are effort intensive endeavors that very little in pecuniary terms In the end an eye on the student engagement pedagogical ball over the long run will deliver the results that cash infusions simply cannot The book concludes by documenting how educational leaders can go about driving such desirable learning instructional behaviors and the quantified test score gains that can be expected to follow

Capacity Mechanisms in the EU Energy Markets Leigh Hancher,Adrien de Hauteclocque,Kaisa Huhta,Małgorzata Sadowska,2022 Energy capacity mechanisms have become a key feature in member states energy markets and thus a significant topic in European regulatory debate This second edition provides a thorough and up to date explanation of how capacity mechanisms work their market implications and the possible consequences for the European internal electricity market

Coalitions in the Climate Change Negotiations Carola Klöck,Paula Castro,Florian Weiler,Lau Øfjord Blaxekjær,2020-11-22 This edited volume provides both a broad overview of cooperation patterns in the UNFCCC climate change negotiations and an in depth analysis of specific coalitions and their relations Over the course of three parts this book maps out and takes stock of patterns of cooperation in the climate change negotiations since their inception in 1995 In Part I the authors focus on the evolution of coalitions over time examining why these emerged and how they function Part II drills deeper into a set of coalitions particularly new political groups that have emerged in the last rounds of negotiations around the Copenhagen Accord and the Paris Agreement Finally Part III explores common themes and open questions in coalition research and provides a comprehensive overview of coalitions in the climate change negotiations By taking a broad approach to the study of coalitions in the climate change negotiations this volume is an essential reference source for researchers students and negotiators with an interest in the dynamics of climate negotiations
