together is the story of how resisting the crimes of the powerful while struggling locally for social justice is the essence of critical criminology His seven chapters are divided into three parts academic freedom academic activism and academic praxis and these connected stories link the author s own academic career in Berkeley California Las Vegas Nevada Chicago Alabama Ann Arbor Michigan and across the United States Barak s eventful scholarly life involved efforts to overcome laws against abortion and homosexuality to formalize protective practices for women from domestic violence and sexual assault to oppose racism and classism in the criminal justice system to challenge the wars on gangs drugs and immigrants and to confront the policies of mass incarceration and the treatment of juvenile offenders The Dungeon Master William C.
