

Writing an Informational Essay

HOOK (ANECDOTE)

Walking into class on the first day of school can be an anxious and exciting time. However, after taking a seat, every student's eyes slowly catch a glimpse of the assignment board. The bell has yet to ring; however, the class is aware of what lies ahead and anxiously awaits the teacher's announcement, hoping the board is a "welcome back to school" joke. They soon learn that it is no joke—on the first day of school, their teacher assigned an essay. Luckily, it is an informational essay that simply requires the class to detail their summer vacation. Writing an informational essay can be challenging, but knowing what to include in the introduction, body, and conclusion can help guide simplify the process.

BACKGROUND

THESIS

TOPIC SENTENCE

The first step in the process of writing an information essay involves the introduction. The most important part of the introduction is gaining the attention of the reader. Creating interest makes the reader more receptive to new ideas. After the attention grabber, the writer provides an introduction of the main topic, including any background information the reader needs to understand the essay. The last sentence then includes the thesis statement, which identifies the purpose of the essay and can include the writer's supports. Upon completion of the introduction, the next step in the development of an essay includes the body paragraphs.

EVIDENCE/
EXPLANATION

TRANSITION

TOPIC SENTENCE

The purpose of the body paragraphs in an informational essay is to explain the major points in support of the purpose statement. The first sentence of each paragraph should be a topic sentence identifying the main idea. The writer provides evidence to support that paragraph's specific topic. After identifying the evidence, the writer must explain how the evidence supports the claim identified in the topic sentence. After providing body paragraphs in support of the purpose identified in the thesis, the writer proceeds to the conclusion.

Rigth Essay About Stokvel:

The Law of South Africa ,2003 *Liber Amicorum* Marius Paul Olivier,Letlhokwa George Mpedi,Evance Kalula,2020-12-10 Though some may categorise this work as a memorial publication this book of friends is truly a celebratory publication by colleagues from Africa and beyond who had the privilege to know Edwell and Mathias personally It is a tribute to the life and work of two individuals that each made a unique contribution to social justice law and its development As evidenced by the Tributes and Lists of Publications contained herein both Edwell and Nyenti as they were colloquially known were productive scholars but they leave a legacy that extends beyond the academic realm to that of friendship and shared humanity *The Selfless Constitution* ,2023-01-10 Do you possess freedom the will to do as you choose as an individual as a participant in social affairs or as a citizen in the political realm Well no Not really At least not as most of us understand a term loaded down with metaphysical baggage Don t worry You ve got something better a neurological system capable of carrying out the most complex analytical and computational tasks membership in innumerable communities that provide you with huge stores of knowledge and wisdom and a politico constitutional order that ought to provide the material and the immaterial conditions that will enable you to pursue a life worth valuing Drop the simplistic folk psychology of unfettered freedom whilst holding on to intentionality and you might be inclined to adopt a set of social practices and political arrangements that enhance the chances that you and your compatriots will flourish As many recent studies of consciousness reveal our neurological systems are complex feedback mechanisms designed to create myriad for trial and error and if you survive the production of new stores of knowledge Individuals comprised of numerous radically heterogeneous naturally and socially determined selves are always experimenting attempting to divine through reflection and action what works best even when best means fully embracing who we already are Choice architects those persons charged with constructing the environments within which we operate daily should if responsible regularly run experiments that attempt to eliminate biases and ultimately deliver norms that nudge us away from negative defaults toward more optimal ends A constitutional democracy made up of millions of radically heterogeneous densely populated individuals constantly strives to determine what works best for most of its many constituents Because South Africa s Constitution states at an extremely high level of generality only some of the norms that govern our lives it remains for citizens representatives and judges to create doctrines and institutions that serve its capaciously framed ends best After canvassing the relevant literature in neuroscience empirical philosophy behavioural psychology social capital theory development economics and emergent experimental governance this work suggests that manifold experiments in living that fall within the accepted parameters of our shared constitutional norms are likely over time to produce more optimal ways of being that can be replicated by other members of our polity Our reflexive stance toward best practices a linchpin of this book s take on experimental governance when inextricably linked to a commitment to flourishing and to the expansion of individual capabilities should cause us to alter the content of the

fundamental norms that shape our lives and bind us to one another A political order founded upon experimental constitutionalism and flourishing promises an egalitarian pluralist reformation of South African society The book spins out its novel thesis against the concrete backdrop of political arrangements and judicial doctrines that have emerged during the first 20 years of our truly vibrant constitutional democracy Its trenchant analysis of political institutions and constitutional case law shows us how far we have come and how far we still have to go

Women and Credit Gail Campbell, Beverly Lemire, Ruth Pearson, 2020-07-12 Credit can be instrumental in equalizing opportunity and alleviating poverty yet historically men and women have not had the same access Partly because of this women have been excluded from many previous economic histories This book fills a significant gap in exploring the vexed relationship between the women and credit across time and space Providing examples of credit agencies and initiatives in both the developing and developed world *Women and Credit* raises important policy issues and makes valuable suggestions for reconfiguring the relationship between women and credit It also answers questions previously ignored by scholars yet of vital significance to women s studies and economic history What contribution did women make to the development of industrial capitalism How does women s access to credit vary across time and cultures How has the development of micro credit initiatives affected women s economic position and what role will such initiatives play in the future This book is an invaluable resource for anyone in the fields of Women s studies economic history anthropology or development

The Constitution in the Classroom Stu Woolman, Brahm Fleisch, 2009 About the publication The law on education and educational practices in South Africa would exhaust the capacity of any meaningful monograph Instead the authors of this book engage six discrete topics that reflect the broader currents and conflicts in South African education debates a school choice b school fees c the right to an adequate basic education d single medium public schools e school governing bodies and f independent schools The book has two further aims First To move beyond the debates taking place separately in the education policy community and the legal academy and to demonstrate how these disciplines working in concert with each other can advance our understanding of law and education in South Africa Second To show that the ANC s complex education agenda must mirror the egalitarian utilitarian democratic and communitarian commitments found within the Constitution How these competing political claims reflected in our basic law play themselves out in the enabling education legislation the case law and government education policy frames each topic assayed in this work About the editor Stu Woolman is the Academic Director at the South Africa Institute for Advanced Constitutional Public Human Rights and International Law Brahm Fleisch is Associate Professor in the Division of Education Leadership and Policy Studies in Wits School of Education
