Dear Honor Flight New England Contributor,

I would like to take this opportunity to say THANK YOU for your generous donation of \$7,000.00. Your contribution will assist us in sending our most senior veterans to Washington, D.C., to visit the memorials that were constructed to honor what they have done for our country.

I am happy to say that we have transported 1,690 heroes including 71 women, 38 Prisoners of War, 24 sets of brothers, 8 husband and wife couples, 2 sets of brothers and sisters, 1 totally blind veteran who lost his sight while serving, and a double amputee since our inception in April 2009.

Some of these heroes have participated in the Normandy Invasion, D-Day, Hiroshima, Iwo Jima and other major battles. Our oldest passenger was 101 years young.

We are in a RACE AGAINST TIME to provide what many have described as "One of the Best Days of Their Life".

Sincerely,

Joseph F. Byron

## Sample Of Honor Flight Letters:

**Finding Freedom** Emily Mofield, Tamra Stambaugh, 2021-09-09 Finding Freedom invites students to follow America's journey toward finding freedom by examining multiple perspectives, conflicts, ideas, and challenges through seminal historical texts. This unit developed by Vanderbilt University's Programs for Talented Youth and aligned to the Common Core State Standards (CCSS) features close readings of some of the most famous American political speeches from notable Americans, presidents, and minority voices. To sharpen historical thinking, students analyze arguments for freedom, examine dissenting perspectives, and reason through multiple viewpoints of historical issues through debates and interactive activities. To develop advanced literacy skills, students evaluate effective rhetorical appeals, claims, supporting evidence, and techniques that advance arguments. Students synthesize their learning by comparing speeches to each other, relating texts to contemporary issues of today, and making interdisciplinary connections. Lessons include close readings with text-dependent questions, choice-based differentiated products, rubrics, formative assessments, social studies content connections, and ELA tasks that require argument and explanatory writing. Ideal for pre-AP and honors courses, the unit features speeches from Patrick Henry, Frederick Douglass, Carrie Chapman Catt, and Presidents Franklin D. Roosevelt, Lincoln, Kennedy, Johnson, George W. Bush, Obama, and others. Grades 6-8.
