Aloha High School School Community Council BYLAWS

PREAMBLE

Act 51, Session Laws of Hawai'i 2004, known as the "Reinventing Education Act of 2004" in part requires "strengthening community involvement through school community councils."

In accordance with Act 51, the Aloha High School Community Council was created to support school improvement and the academic achievement of students through increased community involvement in the school.

ARTICLE I: NAME OF COUNCIL

The name of this Council is the Aloha High School Community Council, hereinafter referred to as the SCC.

ARTICLE II: OBJECTIVES

The objectives of the SCC shall be consistent with State Statute, be consistent with policies of the Board of Education, and be aligned with the school's mission and vision.

- Section 1. To advise the school regarding the development, implementation, and evaluation of the Academic Plan and Financial Plan.
- Section 2. To ensure the school's Academic Plan and Financial Plan are consistent with the educational accountability system.
- Section 3. To study and review the school's strategic action plan in relation to the educational needs of all students.
- Section 4. To provide collaborative opportunities for input and consultation.
- Section 5. To take other actions as required by the Department of Education.

The principal is responsible for the development of the Academic Plan and Financial Plan and presentation of the plans to the school community and SCC. The SCC recommends revisions to the principal or recommends approval by the Complex Area Superintendent.

The SCC shall have ongoing responsibility to review the implementation of the plan with the principal, assess periodically the effectiveness of the plan and recommend modifications to the plan.

The SCC shall carry out all of the duties and responsibilities assigned to it by the Hawai'i State Department of Education.

Parents, Their Children, And Schools James S. Coleman, 2018-10-08 This book examines the resources available to parents and the actions parents can take to further their childrens education It is the first study of the subject based on major survey data drawing from the National Education Longitudinal Study of 1988a national survey of 26 000 eighth graders their parents teachers and school administrators The authors explore several important debates including the extent to which parental involvement can mitigate the constraints of poverty for minorities and disadvantaged students school choice and equality of educational opportunity and the effects that school sponsored activities involving parents have on educational performance Parental involvement with children at home in school and in the community is one of the most important factors in educational success Yet we know very little about the most effective approaches to parental intervention Moreover not all parents have the same resources or opportunities to act on the educational expectations they have for their children This book examines the resources available to parents and the actions parents can take to further their childrens education It is the first study of the subject based on major survey data drawing from the National Education Longitudinal Study of 1988a national survey of 26 000 eighth graders their parents teachers and school administrators The authors explore several important debates including the extent to which parental involvement can mitigate the constraints of poverty for minorities and disadvantaged students school choice and equality of educational opportunity and the effects that school sponsored activities involving parents have on educational performance Certain to change the thinking of educators and policymakers this book is essential reading for scholars and parents as well **AIPLA Bulletin** American Intellectual Property Law Association, 1995 **Atlas and dictionary bound together [containing The clear school atlas and The 'Graphic' clear type pronouncing dictionary of the English language]**.
