

Comparison and Contrast Rubric

CATEGORY	4	3	2	1
Purpose & Supporting Details	The paper compares and contrasts items clearly. The paper points to specific examples to illustrate the comparison. The paper includes only the information relevant to the comparison.	The paper compares and contrasts items clearly, but the supporting information is general. The paper includes only the information relevant to the comparison.	The paper compares and contrasts items clearly, but the supporting information is incomplete. The paper may include information that is not relevant to the comparison.	The paper compares or contrasts, but does not include both. There is no supporting information or support is incomplete.
Organization & Structure	The paper breaks the information into whole-to-whole, similarities - to-differences, or point-by-point structure. It follows a consistent order when discussing the comparison.	The paper breaks the information into whole-to-whole, similarities - to-differences, or point-by-point structure but does not follow a consistent order when discussing the comparison.	The paper breaks the information into whole-to-whole, similarities - to-differences, or point-by-point structure, but some information is in the wrong section. Some details are not in a logical or expected order, and this distracts the reader.	Many details are not in a logical or expected order. There is little sense that the writing is organized.
Transitions	The paper moves smoothly from one idea to the next. The paper uses comparison and contrast transition words to show relationships between ideas. The paper uses a variety of sentence structures and transitions.	The paper moves from one idea to the next, but there is little variety. The paper uses comparison and contrast transition words to show relationships between ideas.	Some transitions work well; but connections between other ideas are fuzzy.	The transitions between ideas are unclear or nonexistent.
Grammar & Spelling (Conventions)	Writer makes no errors in grammar or spelling that distract the reader from the content.	Writer makes 1-2 errors in grammar or spelling that distract the reader from the content.	Writer makes 3-4 errors in grammar or spelling that distract the reader from the content.	Writer makes more than 4 errors in grammar or spelling that distract the reader from the content.

The Routledge Handbook of Discourse Analysis Michael Handford, James Paul Gee, 2023-05-15 The Routledge Handbook of Discourse Analysis covers the major approaches to discourse analysis from critical discourse analysis to multimodal discourse analysis and their applications in key educational and institutional settings The handbook is divided into eight sections Approaches to Discourse Analysis Gender Race and Sexualities Narrativity and Discourse Genre and Register Spoken Discourse Social Media and Online Discourse Educational Applications and Institutional Applications The chapters are written by a wide range of contributors from around the world each a leading researcher in their respective field With a focus on the application of discourse analysis to real life problems the contributors introduce the reader to a topic and analyse authentic data This fully revised second edition includes new sections on Gender Race and Sexualities Narrativity and Discourse Genre and Register Spoken Discourse Social Media and Online Discourse and nine new chapters on topics such as digital communication and public policy and political discourse This volume is vital reading for all students and researchers of discourse analysis in linguistics applied linguistics communication and cultural studies social psychology and anthropology

Multilingual Testing and Assessment Gessica De Angelis, 2021-09-06 The field of multilingual testing and assessment has grown rapidly in recent years due to the widespread need to integrate immigrant populations into mainstream education and to provide fair and equitable forms of assessment for all students However a continuing emphasis on bilingual students has created a significant gap in testing and assessment research This book addresses the need for research and guidance on testing multilingual students at its heart is the difference between designing multilingual tests and testing multilingual individuals The author introduces an integrated approach to testing and assessment a flexible approach that combines information about multilingual learners knowledge skills and abilities with information about their language background and living environment The book provides an overview of existing research conducted with multilingual populations provides guidelines for test writers teachers and educators that outline the steps involved in the design administration scoring and interpretation of tests for multiple language speakers and demonstrates how to use the integrated approach to testing and assessment in a multilingual educational context

Academic Success in Online Programs Jacqueline S. Stephen, 2024-04-02 This book provides higher education students with a comprehensive resource to assist them in their academic persistence in an online course or program It addresses a wide selection of topics emphasizing a myriad of factors that impact a student's persistence and ultimate success in an online program or course The book helps students to gain insight into the skills knowledge and attributes needed to succeed in the autonomous nature of an online learning environment Thus this book helps students to proactively engage in activities to prepare for online learning Information presented in each chapter is drawn from theory

and recent research centered on persistence of online students in higher education It incorporates hands on practical activities to promote application of theory and research and encourages students to demonstrate their knowledge skills and abilities through the use of reflective and thought provoking activities Hence this book provides online students with an up to date resource they can use to develop an awareness of their readiness and preparedness for online learning Additionally this book equips students with information and strategies aimed at helping them to address gaps in their skills and knowledge that may present them with barriers to academic success The content of this book is aligned with widely used student learning outcomes and objectives of first year student seminar courses and orientation programs for graduate and undergraduate students enrolled in online programs Furthermore it is deliberately organized and structured to support an online student s academic journey as they navigate the online learning environment As such these features make it an ideal book for use by students instructors and academic advisors or college and university academic support staff

Help! I'm Teaching Middle School Science C. Jill Swango, Sally Boles Steward, 2003 Like your own personal survival guide Help IOCOM Teaching Middle School Science is a nontechnical how to manualOCoespecially for first year teachers But even veteran teachers can benefit from the plentiful ideas examples and tips on teaching science the way middle schoolers learn best The book covers all the basics what to do on the first day of school including icebreaker activities preparing safe and effective lab lessons managing the classroom working with in school teams as well as parents But its practicalOCOand encouragingOCOapproach doesnOCOt mean it shortchanges the basics of effective pedagogy YouOCOLL learn how to handle cooperative learning and assessment how to help students write effectively and the importance of modeling for early adolescents

As recognized, adventure as with ease as experience just about lesson, amusement, as competently as promise can be gotten by just checking out a book **Sample Rubric Comparing Text** then it is not directly done, you could agree to even more all but this life, on the order of the world.

We give you this proper as without difficulty as easy pretentiousness to acquire those all. We find the money for Sample Rubric Comparing Text and numerous book collections from fictions to scientific research in any way. in the midst of them is this Sample Rubric Comparing Text that can be your partner.
