Vanishing Points Michele Leggott, 2017-10-23 It is an optical amusement a punctured surface letting light pour through holes cut out of the picture Moon army tents and the windows of houses and St Mary's church glow or flicker with luminance Between them move women and children as well as soldiers Steamers a brig and a schooner ride on the moonlit sea Part and not part of the scene is the artist's son who lies three days buried in the churchyard at the foot of the hill where his father sits sketching the arrival of imperial troops Now walk away from the painting when it is lit up and see how light falls into the world on this side of the picture surface Is this what the artist meant by his cut outs Is this the meaning of every magic lantern slide Vanishing Points concerns itself with appearance and disappearance as modes of memory familial until we lose sight of that horizon line and must settle instead for a series of intersecting arcs It is full of stories caught from the air and pictures made of words It stands here and goes there a real or an imagined place If we can work out the navigation the rest will follow Michele Leggott's new collection is full of history and family lights and mirrors the real and the surreal now articulated through a powerful amalgam of prose poems and verse

Faith Forward Volume 3 David Csinos, 2018-05-30 In one of his best known songs Bruce Cockburn sings about lovers in a dangerous time Well there's no doubt that our world is under siege and that we are living in a dangerous time With massive crises threatening life all over our planet economic crises social crises ecological crises the list goes on and on our faith can't afford to ignore the reality of our diverse and fragile world Our faith needs to move or inspire us to get our hands not just dirty but downright bruised and bloody as we work against the tremendous

forces of hatred death and suffering in our world That s what this third volume in the Faith Forward series is about It s about forming Christian lovers in the dangerous time in which we live It s about dousing the flames of hatred and suffering in our world by pouring out unconditional sacrificial love It s about having rich and meaningful and difficult conversations about how we can do ministry with children youth and families in ways that have the power to heal the world How can we empower children and youth to disrupt the world with God s love How can we empower them to overturn the tables and shatter the walls and to pour out compassion and justice and love in the world This kind of ministry isn t easy or popular work And it isn t going to pack kids into our church But it s truly life and death work and we need to do it as embodiments of God s hope and healing Like the other books in this series Faith Forward Volume 3 collects the wisdom of some the leading thinkers and shakers and movers in the arena of ministry with children and youth including Alaa Basatneh Brian D McLaren Soong Chan Rah Waltrina N Middleton Daniel White Hodge Lisa and Mark Scandrette Marcia J Bunge Leslie Neugent Ivy Beckwith Eboo Patel Almeda M Wright and Amy K Butler
