

The Risk Report Card

VW do Brasil summarizes its strategy risks on a Risk Report Card organized by strategic objectives (excerpt below). Managers can see at a glance how many of the identified risks for each objective are critical and require attention or mitigation. For instance, VW identified 11 risks associated with achieving the goal "Satisfy the customer's expectations." Four of the risks were critical, but that was an improvement over the previous quarter's assessment. Managers can also monitor progress on risk management across the company.

Strategic objective	ASSESSED RISKS	CRITICAL RISKS	TREND
Achieve market share growth	4	1	↔
Satisfy the customer's expectations	11	4	↑
Improve company image	13	1	↔
Develop dealer organization	4	2	↔
Guarantee customer-oriented innovations management	5	2	↓
Achieve launch management efficiency	1	0	↔
Increase direct processes efficiency	4	1	↔
Create and manage a robust production volume strategy	2	1	↓
Guarantee reliable and competitive supplier-to-manufacturer processes	9	3	↔
Develop an attractive and innovative product portfolio	4	2	↓

Community/Public Health Nursing Practice Frances A. Maurer, Claudia M. Smith, 2012-10-01. Focusing on practical need to know information. Community Public Health Nursing Practice helps you learn how to apply the nursing process at the community and family level. It features an engaging easy to understand writing style as well as assessment tools detailed case studies and clinical examples that demonstrate how key concepts apply to real world practice. Additional resources on the companion Evolve website expand and enhance content within the text. Practical features including Case Studies Ethics in Practice and The Nursing Process in Practice illustrate real world applications of key community public health nursing concepts. A complete unit on the community as client helps you understand how the assessment diagnosis planning intervention and evaluation steps of the nursing process apply to the community as opposed to an individual. A chapter devoted to community assessment provides a complete assessment tool and shows you how the tool applies to two different types of communities. UNIQUE A chapter on screening and referral promotes population focused practice which is the crux of community public health nursing. A separate unit on the family emphasizes the importance of viewing the family as a singular client. A complete discussion of the Minnesota Wheel helps you better understand this widely accepted framework for community public health nursing practice. Helpful sections such as Focus Questions Chapter Outlines Key Ideas and Learning

by Experience and Reflection help you pinpoint essential information NEW Healthy People 2020 objectives throughout the text help you identify common health risk factors in populations and families NEW Coverage of health care reform including the Patient Protection and Affordable Care Act of 2010 PPACA explores how current health care legislation impacts community public health nursing NEW Discussions of community health hot button issues such as human trafficking genital circumcision and bullying introduce you to today's health care challenges NEW Information on weather related disaster fatalities bioterrorism and national and state planning responses familiarize you with current relevant issues which affect the health of populations worldwide and shape the role of the community public health nurse
