_____ Parole Board

Address

City, State, Zip

Re: Prisoners Name, _DC#

Name of Prison

Address

City, State, Zip

Dear Honorable Members of the Parole Board:

My name is _____ and I am writing to you regarding the parole hearing for my long-term partner _____. I would like to ask that you grant parole to _____ when he appears before you at his parole hearing soon.

I am a __ year-old single mother to our _ year-old daughter, _____. I am currently renting a property in _____, where [Inmate first & last name] was living before he was incarcerated and will continue to live if he is granted parole.

Our family has been strongly impacted by [Inmate first name] actions. During the time he has spent in prison, we have been struggling with financial hardship and we are finding it hard to cope with everyday requirements.

I have had a lot of support from our family and friends but we still need support from [Inmate first name], as he is a great father and a loving partner.

I believe that [Inmate first name] is sincerely sorry for what he has done and he realizes he has made many terrible mistakes that have resulted in many people being negatively affected and him being sent to prison.

[Inmate first name] has been participating in many activities such as _____ and has been working as a _____ and since I have noticed he is a more happy person.

I feel he has taken full responsibility for what he has done, he has had time to reflect and is now making his best effort to try and become a better person.

_____ has made clear to me he would like the opportunity to prove that he is a good person and remorseful for the mistakes he has made in the past.

If he is granted parole, we are here and prepared 100% to give him all the support he needs including a home to live in, moral support, encouragement, and financial support until he no longer needs it and we will ensure he stays on a straight and narrow road, so he can live a healthy and happy life out of prison. I am confident he will do his best.

Thank you for your time and attention.
