Within this framework the book is organised into sections according to the time scale of the project to help families make the most of the time they have available beginning with shorter projects. A comprehensive but affordable kit list is part of the introduction and includes many items families will already own. Along with a basic kit list Alice and Karen spill a few in-house secrets about their go-to materials for maximum impact and a professional finish. Plastic materials are kept to a minimum. Let's Make Art champion sustainable recycled art projects with their home-based starting point for projects. This craft book for children and their families is a unique addition to the market as it elevates children's art to the status it deserves by showing children how to achieve bold work with a professional finish. The projects are cheeky, flamboyant and have their own very particular style, especially the costumes and wearable artwork.
