

PROJECT MANAGEMENT PLAN TEMPLATE

This template enables you to create an overall [project management plan](#) that will become the main source of information for all those involved with and connected to the project. Within its content the processes and procedures that will be used to plan, execute, monitor, control and close the project are described.

The project management plan brings together all the other management plans associated with the project and integrate all these plans into a single comprehensive one. As the project progresses inevitable changes to the plan are assessed, controlled and approved via change control process. The other individual project management plans and the [project charter](#) form the basis of this management plan. This template should be used in conjunction with the other specific project management plan templates.
