### COVER LETTER

Dear Hiring Manager,

I am writing to express my interest in applying my substantial background in patient-centered rehabilitation to your esteemed healthcare team. My academic and practical experience at leading institutions has been aimed at not only meeting, but exceeding, the demands of physical therapy roles in fast-paced environments.

During my tenure as a Rehabilitation Aide at Kindred Healthcare, I was integral in reorganizing the patient workflow, which led to an 80% enhancement in physical functionality for our patients. This experience honed my ability to work alongside physical therapists to effectively implement patient care plans, all while reducing costs through efficient supply management. This key involvement in administrative and patient care tasks significantly improved the operation's quality and played a vital part in the increase in our documentation accuracy by 30%.

In addition to my hands-on experience, I rely on a concrete foundation in exercise science and physical therapy education. My dedication to professional development and patient care excellence is ongoing, as evidenced by my active pursuit of advanced certifications and specialized knowledge. I am eager to bring this blend of clinical skills and compassionate care to your institution.

I am keen on the opportunity to contribute to and grow with your team, bringing with it an unwavering commitment to improving patient outcomes. I look forward to the prospect of discussing how my skills and experiences align with the goals of your facility. Thank you for considering my application.

Sincerely,

MARCUS HALL
