

OPENING PRAYER FOR ONLINE MEETING

“Dear Lord,

We kneel before You this hour with thanksgiving for bringing us together in love and safety. Sometimes, we hurriedly start our meetings without recognizing Your greatness. Please forgive us.

Today, we ask You to be with us throughout this meeting and lead our thoughts to Your glory. May every conversation in this online meeting be inspired by Your Holy Spirit. Please strengthen us as a group in Jesus' name.

Amen”

Shaping Spiritual Leaders Abigail Johnson, 2007-08-17 Supervision the shaping of spiritual leaders occurs formally and informally in many aspects of congregational life Every year thousands of pastors supervise field education students and interns staff members and lay leaders often supervise committee members or other staff clergy and lay leaders supervise each other as a way to offer support and establish accountability While supervision enhances the work of all concerned it is rarely explicitly addressed in congregations For over fifteen years Abigail Johnson has supervised and trained others to supervise candidates for ordination within the United Church of Canada Recognizing that supervision is as important in the formation of lay leaders as in the life of candidates for ordination she has developed this book to guide all who supervise others in a congregation Johnson views supervision as a ministry and shows how leaders can use their own innate gifts to enhance their supervision skills By shaping the supervision relationship based on the gifts of the people involved as well as the context in which the relationship occurs supervision can become an opportunity for mutual growth and learning that strengthens all other areas of ministry This book provides a hands on approach to supervision addressing key areas such as identifying a learning focus covenanting managing conflict understanding and using power and authority offering and receiving feedback and evaluation and celebrating and ending the supervisory relationship Supervisors who pay attention to these and other key areas will help those they supervise develop their gifts for ministry in all forms The Lookout for Christ and the Church ,1903 A Guide for Listening and Inner-Healing Prayer Rusty Rustenbach, 2014-02-27 Experience the deep emotional healing Jesus promises Inner healing is an important part of the Gospel message You can supernaturally experience healing by exposing the hidden lies that keep you in bondage This workbook study presents a framework within which you can learn to pray listen and receive God s healing in a progressive step by step process Its practical instruction examples and personal stories can empower you to deliberately listen to God in ways that bring deep freedom assurance and inner healing With compassion and biblical insight Rusty Rustenbach guides you through Connecting with God and experiencing greater intimacy in your relationship with Him Uncovering the lies responsible for unhealthy mindsets destructive habits and emotional pain How to know when you re hearing God s voice Jesus said The truth will set you free Take Him at His word and experience the inner healing your soul craves Designed for ministry use small groups and personal study this book includes questions for discussion and reflection Christian Work ,1902 Religious Telescope ,1903 Pacific Christian Advocate ,1902 **Helping Hand** ,1902 **The Presbyterian** ,1909 Christian Advocate ,1910 The Advance ,1905 Herald and Presbyter ,1910 **The Pastoral Search Journey** John Vonnhof, 2010-03-01 Most churches have sought out a new pastor many times yet search committees often feel as though they are inventing the process from scratch In The Pastoral Search Journey John Vonnhof provides detailed guidance for search committees to ensure a good match between pastor and congregation This is Vonnhof s third book about the pastoral search but the first to discuss interim
