Transfer Pricing Theory & Practice Hari Om Jindal, Surya Jindal, 2020 India and Investor-State Dispute Settlement Prabhash Ranjan, 2024-04-02 Prabhash Ranjan explores the two competing narratives of investor state dispute settlement ISDS and focuses on the six ISDS cases India lost On the one hand ISDS is chastised for affronting the State's sovereign regulatory power the Philip Morris narrative On the other hand ISDS allows investors to hold States accountable for abuse of public power the Yukos narrative This book argues that India's ISDS story resembles the Yukos narrative With a focus on six case studies this book examines the reasons that led to foreign investors suing India and the following developments These ISDS claims are divided into four categories a case arising from judicial actions claims brought because of the cancellation of a contract to lease spectrum conflicts resulting from the imposition of retroactive taxes and disputes arising from the actions of sub national governments Based on India's recent treaty practice the book also contends that India is de legalizing and de judicializing international investment law By telling India's ISDS story the book drives home the point that rectifying the ISDS system's flaws requires both narratives centrality Excessive focus on the Philip Morris narrative will replace the existing imbalances with a new one where the scale tilts towards the States to the detriment of foreign investment This is a useful reference for scholars and practitioners interested in ISDS and its implications for India Lex Petrolea and International Investment Law Nima Mersadi Tabari, 2016-09-01 Lex Petrolea and International Investment Law Law and Practice in the Persian Gulf offers readers a detailed analysis of jurisprudence on the settlement of upstream petroleum disputes between host states in the Persian Gulf and foreign investors Dr Nima Mersadi Tabari considers the historical political and socio economic roots of the existing frameworks and levels of protection offered to foreign investors With particular focus on petroleum related disputes he initially delivers a comprehensive survey of the jurisprudence of international investment law and investment treaty arbitration Following on from this in three dedicated chapters the author provides in depth analysis of the legal regimes governing the matter in the major producers of the region Saudi Arabia Iraq and Iran A key resource for all professionals working on legal issues arising from foreign direct investments in natural resources this book draws a detailed picture of the legal regime governing the upstream sector in the most important geographical region for the international oil and gas sector **The Traveling Economist** Todd A. Knoop, 2017-03-09 This fascinating book introduces travelers of the body or the mind to a few simple economic concepts that will help them to think differently and more deeply about the differences between the people and the places they visit during their journeys The principles and mechanics of economics are firmly rooted in everything around us in our home country as well as in every nation and culture around the world Having a basic grasp of economics can help all travelers to think more carefully about why things work differently in different places Armed with this knowledge readers will be equipped to better appreciate and learn from the beauty and complexity of the world around us The Traveling Economist Using Economics to Think about What

Makes Us All So Different and the Same illustrates important economic concepts that every traveler and world citizen should understand Employing clear jargon free explanations and illustrated with real life examples Knoop uniquely focuses on the interplay between travel and economics He uses our shared travel experiences to illustrate exactly how economic thinking supplies such a powerful framework for understanding the world around us More than simply explaining economics through travel experiences this book enables adventurers who desperately want to avoid being tourists i e people who travel to see what they know is there to become explorers those who learn each and every day from what they witness **A Practical Guide to U.
