Ohakamnu, 2015-05-30 The present day students regular and special education have some difficulties remaining on task in the classroom especially the students classified as the at risk learning disabled behavioral disordered etc Therefore it becomes imperative to design a proactive methodology or strategy that may create on task behavior while teaching and learning are taking place in the classroom Note that no one strategy is enough to contain behavior problem students hence the partner check self recording strategy was designed to induce on task behavior for a considerable amount of time among elementary school children Roadmap to 8th Grade English Language Arts, New York
