Nys Parole Officer Trainee Study Guide 2013:

Parole Futures Harry Annison, Nicola Carr, Thomas Guiney, 2025-07-10 Does parole have a future If it does can we begin to imagine a different path Is progressive penal reform possible or has the time come to consider more radical alternatives in a context where there is little if any consensus on the underlying aims and techniques of contemporary prison release What does this all mean for the prisoners families victims and publics upon whose confidence the parole system ultimately depends This book brings together a world leading panel of 27 experts who draw upon insights from law sociology criminology and political science to explore these pressing questions At a time when many parole systems are experiencing considerable strain the aims of this collection are twofold first to encourage systematic and critical reflection on the rationalities institutions and practices of parole Second to think big and pose ambitious what if questions about the possible futures of parole and prison release Offering novel insights from Asia Australia Europe North America and South America this collection builds the case for and then showcases a way of doing parole research that is global in outlook interdisciplinary in approach and unapologetically normative in character *Contemporary Corrections* Rick Ruddell, G. Larry Mays, L. Thomas Winfree Jr., 2020-10-04 Contemporary Corrections A Critical Thinking Approach introduces readers to the essential elements of the US corrections system without drowning students in a sea of nonessential information Unbiased and accessible the text includes coverage of the history of corrections alternatives to incarceration probation parole race ethnicity gender issues in corrections re entry into the community and more The authors unparalleled practical approach reinforced by contemporary examples illuminates the role corrections plays in our society The authors have reinvigorated earlier work with additional content on international comparative data to increase our understanding of how prison officials in other nations have developed different types of responses to the problems that challenge every US correctional administrator a new chapter on correctional personnel and an integration of race and ethnicity issues throughout the book Unrivaled in scope this book offers undergraduates a concise but comprehensive introduction to corrections with textual materials and assignments designed to encourage students critical thinking skills *The Psychology of Criminal Conduct* James Bonta, D. A. Andrews, 2016-11-10 The Psychology of Criminal Conduct Sixth Edition provides a psychological and evidence informed perspective of criminal behavior that sets it apart from many criminological and mental health explanations of criminal behavior Drawing upon the General Personality and Cognitive Social Learning theory James Bonta and Donald Andrews provide an overview of the theoretical context and major knowledge base of the psychology of criminal conduct discuss the eight major risk need factors of criminal conduct examine the prediction and classification of criminal behavior along with prevention and rehabilitation and summarize the major issues in understanding criminal conduct This book also offers the Risk Need Responsivity RNR model of offender assessment and treatment that has guided developments in the subject throughout the world In this edition the first since Andrews death Bonta carefully maintains the book s original contributions

while presenting these core concepts succinctly clearly and elegantly Appropriate for advanced undergraduates and graduate students as well as for scholars researchers and practitioners The Psychology of Criminal Conduct Sixth Edition further extends and refines the authors body of work *Perspectives on Community-Based Corrections* Justin C. Medina,Jillian L. Eidson,2024 A concise introductory text for students wishing to gain insight on the complexities of community based corrections **Documents of the Assembly of the State of New York** New York (State). Legislature. Assembly,1908 *Handbook on Moving Corrections and Sentencing Forward* Pamela K. Lattimore,Beth M. Huebner,Faye S. Taxman,2020-11-10 This volume addresses major issues and research in corrections and sentencing with the goal of using previous research and findings as a platform for recommendations about future research evaluation and policy The last several decades witnessed major policy changes in sentencing and corrections in the United States as well as considerable research to identify the most effective strategies for addressing criminal behavior These efforts included changes in sentencing that eliminated parole and imposed draconian sentences for violent and drug crimes The federal government followed by most states implemented sentencing guidelines that greatly reduced the discretion of the courts to impose sentences The results were a multifold increase in the numbers of individuals in jails and prisons and on community supervision increases that have only recently crested There were also efforts to engage prosecutors and the courts in diversion and oversight including the development of prosecutorial diversion programs as well as a variety of specialty courts Penal reform has included efforts to understand the transitions from prison to the community including federal led efforts focused on reentry programming Community corrections reforms have ranged from increased surveillance through drug testing electronic monitoring and in some cases judicial oversight to rehabilitative efforts driven by risk and needs assessment More recently the focus has included pretrial reform to reduce the number of people held in jail pending trial efforts that have brought attention to the use of bail and its disproportionate impact on people of color and the poor This collection of chapters from leading researchers addresses a wide array of the latest research in the field A unique approach featuring responses to the original essays by active researchers spurs discussion and provides a foundation for developing directions for future research and policymaking Corrections in the Community Edward J. Latessa,Paula Smith,2015-03-27 *Corrections in the Community* Sixth Edition examines the current state of community corrections and proposes an evidence based approach to making programs more effective As the U S prison system approaches meltdown options like probation parole alternative sentencing and both residential and non residential programs in the community continue to grow in importance This text provides a solid foundation and includes the most salient information available on the broad and dynamic subject of community corrections Authors Latessa and Smith organize and evaluate the latest data on the assessment of offender risk need responsivity and successful methods that continue to improve community supervision and its effects on different types of clients from the mentally ill to juveniles This book provides students with a thorough

understanding of the theoretical and practical aspects of community corrections and prepares them to evaluate and strengthen these crucial programs This sixth edition includes a new chapter on specialty drug and other problem solving courts Now found in every state these specialty courts represent a new way to deal with some of the problems that face our citizens be it substance abuse or reentry to the community from prison Chapters contain key terms boxed material review questions and recommended readings and a glossary is provided to clarify important concepts

Hanser,2013-08-06 Offering comprehensive coverage with an applied practical perspective Community Corrections Second Edition covers all the major topics in the field while emphasizing reintegration and community partnerships and focusing strongly on assessment risk prediction and classification Author Robert D Hanser draws on his expertise with offender treatment planning special needs populations and the comparative criminal justice fields to present a complete assessment of the issues and challenges facing community corrections today Insights into how the day to day practitioner conducts business in community corrections are illustrated by such things as the increasing role technology plays in the field Handbook of Scales for Research in Crime and Delinquency Stanley L. Brodsky,H. O'Neal Smitherman,2013-06-29 In contrast to the great diversity of other crime and delinquency research measures those drawn from the CPI and the MMPI have much in common They are taken from standardized instruments administered under controlled conditions with known stimulus properties and validity indicators The CPI and MMPI measures will frequently be instruments of choice in research on personality and

psychodynamics of offenders CHAPTER 6 Law Enforcement and Police This chapter encompasses a variety of scales that refer to law enforcement or police agencies Unfortunately in the case of many scales these terms are used simply with the assumption that the respondents understand the concepts and use them in the same way as researchers In other cases however specific policing functions are identified and described As noted in Chapter 3 a standard order of scale presentation is followed First the attitudes scales are presented followed by the behavior ratings personality measures milieu ratings prediction measures and finally the very broad category of description After the reviews are completed within each subcategory other scales in that category are listed See Chapter 2 for a description of the criteria that were used in deciding upon whether a scale would be reviewed or simply listed Listed scales are presented by title and bibliographic reference followed by a very brief description
